

Settling In Information for Parents

We look forward to welcoming you to Blairmore Nursery School. To help your child settle into their new environment and get to know the staff, you hope you will find the following information helpful.

On the induction day, you will be asked to complete and return an 'All About Me' booklet. This will help the staff get to know your child better and help them to settle in.

It is important that you stay with your child on the first day. If you are unable to come yourself, please ask a relative or friend to stay with your child.

Some children settle in nursery very quickly, others take a little while longer. You are welcome to stay in the nursery until you feel your child is happy to be left.

The nursery session is from 9am - 3pm. We will gradually increase the length of time your child is left until we feel that he/she is ready to take part in the full session.

Your child's key worker will let you know how your child is settling and will advise you when to collect your child.

You are welcome to phone the nursery at any time if you are wondering how your child is.
