

*Placement information
June 2020*

Inverclyde Council has agreed to continue to deliver 1140 hours during the course of session 20 / 21. ELC settings will work towards this during session 2020 / 21 with all children receiving their full entitlement as soon as COVID -19 restrictions are removed. If you have applied for a blended placement (nursery and childminder) you will be contacted by a member of the Education HQ team to discuss options.

*Information on placements was due to be issued to parents on 19 June 2020; however the decision was taken on 17 June to delay this process to allow Heads of Early Learning and Childcare Settings and Primary Schools to match patterns of attendance for siblings. The following information will be issued to all parents **WB 23 June 2020**:*

- Parents of **returning children** will receive information on their 1140 allocation and their temporary COVID 19 allocation.*
- **New applicants** will receive information on their 1140 allocation; their COVID 19 allocations and enrolment details will be shared in August 2020.*
