

## DROP OFF AND PICK UP TIMES

Dear Parents

As you are aware it is extremely important that the children are safe in the nursery and many new procedures have been put in place.

In the 3-5 playroom children will be playing together in groups of 16, therefore 2 groups will be together as they come in.

Our start times have been staggered to allow groups who play together to arrive safely.

It is very important that you play your part in keeping children and other parents safe. Please wear a face covering when coming into the nursery grounds

Staff will have your child ready in the corridor at pick up times to minimise time parents have to spend at the nursery entrance.

We will keep these times under review

Start and finish times will be as follows:

<b>3-5 PLAYROOM</b>		
	<b>DROP OFF</b>	<b>PICK UP</b>
