KEEPING IT GREEN

Since the start of the year, the S4/S5 English class, taught by Ms Jones, have formed an eco-schools group to help

make the school greener. They are doing this by donating and recycling old school uniforms, limiting the use of paper where possible and encouraging people to bring their own waterbottles into school. They have also been campaigning to build a school allotment in

the sensory garden and have been pushing for meat free alternatives to be provided in the canteen. An anonymous spokesman for the group said, "we are doing this for the greater good of our community and we are looking forward to ringing the changes in the future".

COOKING UP A STORM

Ultra competitive Craigmarloch staff have been engaged in a serious contest to decide the winner of the staff bake off 2019. While some staff have been sent back to the kitchen to rethink and engage in professional learning (Mr Evans, Mr Walker), others demonstrated the baking

skills of Mary Berry herself! Judges Mrs Barney, Wendy Love, Linda McLuskey and Jenna Lee were impressed with the standard of baking and are looking forward to weighing up the competition in the final. Following selection for the final round, one of the contestants, Mrs

Humphries, was "shocked, delighted and looking forward to the challenge of the final!". Other candidates who avoided soggy bottoms and proved themselves worthy of a place were Mrs Smith, Mrs McCafferty and Mrs Hislop.
