

# **COMPOSITION SKILLS**

# Scottish Waltz

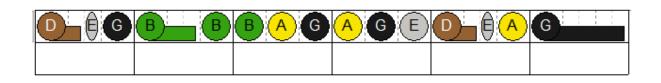

In this unit, you will play several Scottish melodies and you will discover something that many of them use. Using a rhythm bank and a series of notes you will create your own Scottish waltz composition.

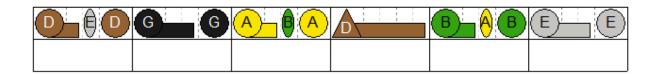

Play through these Scottish melodies.

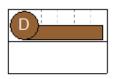

#### Mull of Kintyre

#### Skye Boat Song

Turn to the Appendix at the back of the book for two further Scottish melodies.

#### Questions

How many different notes are used in the two melodies above?

Which notes are used? Circle the ones you see.

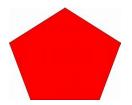

С	D	E	F	G	А	В

How many beats in a bar do the two melodies both have? Circle the correct answer.

2 3 4

What type of Scottish dance are they? Circle the correct answer.

Reel Waltz March

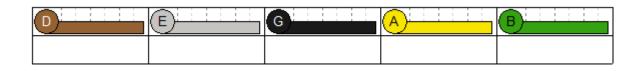

## **PENTATONIC SCALE**

Both Mull of Kintyre and the Skye Boat Song use something called the pentatonic scale. The word pentatonic means "5 tones". Can you think of any other words that start the same way?

The notes used are the following:

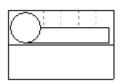

You can use the notes at any octave – squares and triangles are fine too!

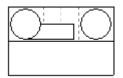

Come up with a five note sequence (in a different order to the one above!) using the pentatonic scale....

## **RHYTHM BANK**

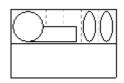

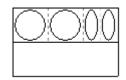

Use any rhythms or combinations from of rhythms from the selection on this page.

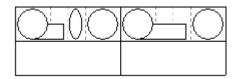

Make sure your composition finishes on the longest note that you can choose.

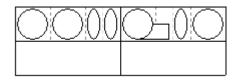

Start and finish on the same note!

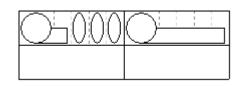

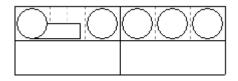

## WALTZ COMPOSITION

### STEP BY STEP

- 1. Copy the rhythms that you are going to use into the grid below.
- 2. Choose your notes and write them in. Remember to use the notes from the Pentatonic scale! That's D, E, G, A and B.
- 3. You now have a completed Scottish waltz.
