£1/50p to Teenage Cancer Trust

To all pupils, staff members teachers and families, have a great summer. It's been great knowing every single one of you and it's been a pleasure being the editor of this newspaper. As I prepare to leave Craigmarnoch school and move on to my exciting life at college, I will try my best to visit at some point soon. But in case I don't see you, good afternoon, good evening and goodnight.

## Football Stars Achieve National Recognition

Craigmarnoch's footballers have finally found national recognition for their sterling efforts at the related sport of watching a TV crew watching them watching football on the TV. STV news was able to capture the unusual sight of several Craigmarnoch pupils and

staff sitting still for 90 minutes with a brief respite to pick up a pie from Mrs Barney and Mrs Smith. Despite missing out on the rare experience of celebrating a Scotland goal, James Pyper managed to give an in-depth analysis

of the national team's performance that was later broadcast on the 7.15 STV news bulletin. We look forward to seeing and hearing James as a TV pundit, or on Clyde One's *Super Scoreboard* alongside Mr Orr! John Mackay "off the telly" later described Craigmarnoch's performance as "great", and we look forward to more celebrations from our football squad when Scotland ascend to World Cup glory next year!

Thank you to all our readers who made a donation for our last edition. We're pleased to say we managed to raise £38, which will make a huge difference to young people and families affected by teenage cancer.
