**Best school newspaper since  
The Comet!**

It was the best of times, it was the worst of times. It was also Craigmarloch's Interdisciplinararary learning extravaganza, and began with great expectations of a fantastic week. It was based around A Christmas Carol by Kermit the Frog and featured several of the muppets. Classes went on a long voyage around the school and avoided hard times by with the help of our mutual friends the support staff. Fortunately no muppets came to any misfortune over the two days of the event.

**Christmas Show Causes  
Tinsilitus Outbreak**

Craigmarloch's Christmas Show ended in Christmas chaos as the P7 narration team covered the hall in snow, leading to a clean up operation from an irate Mr Orr. Following an evening sorting the hall out after the first performance, the miscreants repeated the damage at the end of the second performance and pelted several members of the audience. This led to a ban on any further performances of the 2023 Craigmarloch Christmas Show and a spread of tinsilitus amongst the staff which will close the school for two weeks. Unfortunately the real Santa has also decided to give the primary department a miss this year, but hopefully he'll be back again next year to celebrate Christmas with us all once more.
