RETIRED WINDOW MONSTER SPOTTED

Young explorers as part of the outdoor learning curriculum encountered a rogue window monster while out walking in Grourock. Please report any sightings as we're currently in desperate need of Supply

Craigmarloch's secondary staff have been preparing to boldly go aboard the Enterprise for further quality teaching and learning. Senior Phase pupils will be beamed up into lessons that will take them to infinity and beyond and away from the dark side of the force. However Galactic Sith Lord Darth Walker denied the reports of a spacecraft as he claimed that Astronaut Osborne did not have the necessary flight clearance the pilot the Enterprise. Lessons will take place in the campus Enterprise Centre instead and we hope this will enable all staff and pupils to live long and prosper.

NEWS JUST IN!

NEW SECURITY MEASURES AT CRAIGMARLOCH

After a series of break-ins affected the school in recent months, S6 pupils used the opportunity of the London visit to arrange new security measures that should ensure that every young person and staff member is safe, healthy and achieving within our school. Here they are with one of our new mounted security guards and inspecting the new front gates that will be delivered to the school in August!

On yer trike!

Congratulations to Luci Maxwell on breaking the tricycle land speed record in our playground earlier this term. And a commendable joint 2nd place to Dylan, Lyle and Skye!
