

Lesson 4

First Year Art Project: ME & MY WORLD

What's in your fridge?

Look up the illustration work of Emma Dibben online. She is best known for her drawings and paintings of food. How would you describe her style?

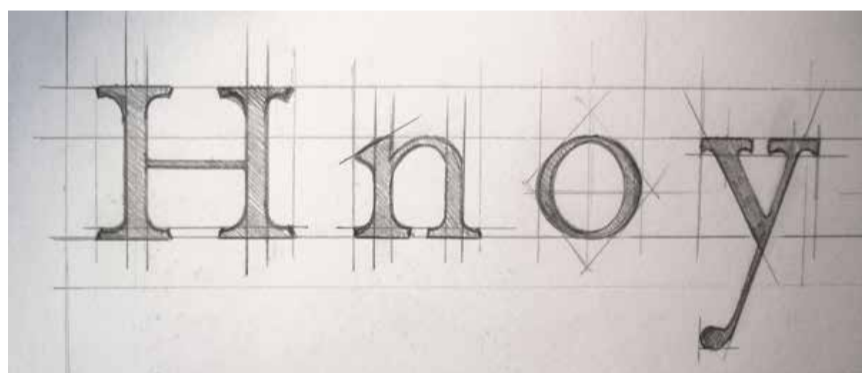

Task 1

Choose any food item from your kitchen - it could be a fruit or vegetable, or something in a can or jar. Create a still life drawing of this item, first using pencil lightly. If your item has text in it, practice using a ruler to make very light guidelines to mark in the top/bottom of the text. Use the picture below to help you.

YOU WILL NEED

- Paper
- Pencil
- Felt-tips or markers

Task 2

Add colour to your drawing using markers, coloured pencil, watercolour or any medium of your choosing.

If you have access to a scanner and printer, you can make a copy so you have one to experiment onto.

REALLY. NO KETCHUP?

Extension Task

HOW CAN THIS BE POSSIBLE?

A PANTRY STAPLE.

Write a haiku about the food item you have chosen. A haiku is a poem that has five syllables in the first line, seven in the second line, and five in the last line. It doesn't have to rhyme. Use your haiku to decorate the border or background of your drawing.
