

WHEN WEARING A FACE COVERING...

Do

- Wash your hands when applying or removing face covering
- Wear your face covering in corridors, social areas and other busy areas of the school
- Ensure you cover your mouth, nose and chin
- Discard immediately in waste bin after use (if disposable)
- Avoid touching your face or readjusting your mask once worn

Don't

- Do not remove your mask to cough or sneeze
- Do not touch the front of the mask to readjust
- Do not wear the face covering under your chin or around your neck
