

Clydeview Academy

School Clubs
2026/2027

Introduction

Notes

- Extra curricular clubs within the school are extremely beneficial because they allow pupils to develop new skills, build friendships, and explore interests outside the classroom, creating a more enjoyable and diverse school experience.

Justin Goodall, Head Boy

There are so many clubs to join here at Clydeview. Clubs are an essential part of the Clydeview experience, as you can make new friends and share the same passion for your hobbies with other people, all while having fun. In S1, I joined the fitness club, and this is where I have made some of my best friends for life. Whether you're interested in Dungeons & Dragons or badminton, there is a wide range of clubs that suit everyone here at Clydeview!

Lily Bryceland, Head Girl

Club	Year Group	Staff	When	Where
Lego Club	S1/2	Mrs Blackman	Tuesday lunchtime	Social 6
Pupils come to Lego club and enjoy being creative with the lego we have available. However, they enjoy challenging themselves and working together to build specific sets. Recently we have been working on developing social skills through team work, turn taking and leading. Recently the pupils have expressed an interest in the trickier Technic sets and wonders of the world. 				
Dungeons and Dragons	S1 & S3 & Seniors Wednesday S2 Thursday	Ms Pye	Wednesday & Thursday 3pm-4pm	Library
Dungeons & Dragons (D&D) is a fun, imaginative game where pupils work together to create stories, solve puzzles, and go on exciting adventures. Through teamwork and creativity, players build confidence, communication skills, problem-solving skills, and friendships while exploring fantastic worlds. The club is divided into four groups to suit different experience levels, from guided beginner games led by Miss Pye for those completely new to D&D to expert groups for experienced players. Places are limited to 8 per group to ensure everyone can fully participate and enjoy the adventure. No previous experience is needed, all materials are provided, and everyone is welcome! 				
Code Club	S1-S2	Mr Robertson	Wednesday Lunchtime	ICT 6
Interested in computer coding				
Art Club	S1-3	Ms McAllister	Friday Lunchtime	Art 2
Provides the amazing opportunity for young people to explore and develop their creativity beyond the regular classroom experience. The club runs on a Friday lunchtime, and it offers a wide range of artistic disciplines, incorporating both 2D and 3D art processes. Pupils are encouraged to experiment with different materials, techniques and approaches, allowing them to discover new ways of creating and expressing themselves.				

Club	Age Group	Staff	When	Where
Science Homework Club	S1	Mrs Burnett	Wednesday 12.45pm- 1.15pm	Sci 2
Need a quiet space to get your homework done? Come along to Homework Club for support with classwork, revision and assignments. All pupils are welcome!				
Dyslexia Drop in	S1-S3 but all years welcome	Ms McCallum	Friday Lunchtime	Pupil Support Hub
This is a support session for young people with dyslexia to access support and advice from senior pupils and support staff.				
Enterprise Group	S2-S3	Ms McKinnon	Monday Lunchtime	ICT 1
Pupils can learn and develop their entrepreneurial skills while taking part in group Business style projects and help with planning possible mini events throughout the year. We may also look to enter the YE Tenner Challenge in March depending on the thoughts of the group.				
Autism Group	All	Mrs McGeary	Friday Lunchtime	Old pupil support classroom
Come along to Pupil Support on Friday Lunchtime, where we can practice social skills, get support with homework or take part in activities such as Lego, chess, board games and Rubik's cube. You may want to just have a chat, or want a quiet space to sit.				
Jigsaw Club	All	Mrs Robertson	Wednesday Lunchtime	Sci 7
Jigsaws available with a range of challenge - work on your own or with others.				
RME Club	S1-3	Ms Fleming	Wednesday Lunchtime	Soc 1
We will be entering an RME Arts Competition. Each year, there are different chosen themes, and you can enter individually or in groups. Entries can include drawings, plays, photography, music and many other art forms. Amazon vouchers are given to the winners. There will also be opportunities to learn about other aspects of RME that interest you, such as Greek mythology, debating and philosophy.				

Club	Age Group	Staff	When	Where
Crochet Club	All	Mrs Robertson	Thursday Lunchtimes	SCI 8

Pupils can choose a project which suits their ability and receive help to work on their skills.

Cinema Club	All	Mr Ashley	Friday 12.34-1.15pm	Eng 6
-------------	-----	-----------	---------------------	-------

Watching films chosen by club votes

Cosy Club	All	Miss Fletcher	Wednesday Lunchtime	Eng 7
-----------	-----	---------------	---------------------	-------

A quiet place of mindfulness, with mindful colouring activities and crafts (origami etc.)

Reading and Creative Writing Club	S1-2	Miss Fletcher	Thursday Lunchtime	Eng 7
-----------------------------------	------	---------------	--------------------	-------

A relaxed space where pupils can read, we can read together and pupils can have a go at different creative writing activities like short stories and poetry. I'm also hoping we can enter for competitions like those from Young Writers.

Darts Club	S1-3	Mr Conley	Wednesday Lunchtime	MAT 2
------------	------	-----------	---------------------	-------

A fun and friendly club for all abilities. Come along, enjoy a game, improve your accuracy and have a laugh with friends.

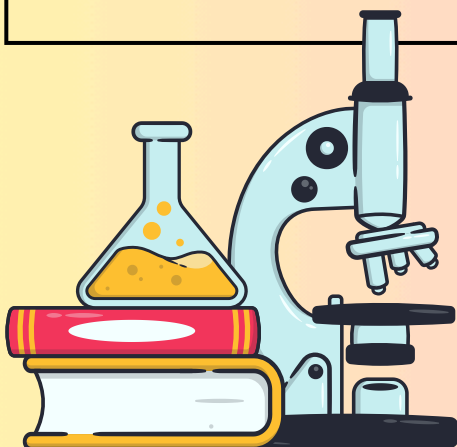

TECHNICAL

CAD	All	Mr McQuilken	Monday Lunchtime	Tech 3
Creative Creations	S1-2	Miss Marshall	Wednesday Lunchtime	Tech

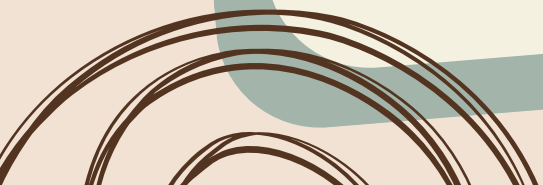

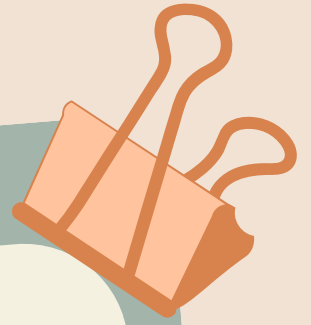

Science Club	S1	Mrs Kelly	Thursday 12.45pm- 1.15pm	Science 7
A chance to try your favourite Science experiments and some new ones! Come along and find out more about the world around us!				
Biology Clinic	N5-N6	Mrs McAdam	Friday 12.55-1.15pm	Sci 6
Open to all N5/Higher students for support with classwork/skills/homework				
Physics Clinic	N5- N6-N7	Mrs Murray	Monday 12.55-1.15pm	Sci 5
	N5-N6	Mrs Currie	Tuesday 12.55-1.15pm	
Open to all N5/Higher students for support with classwork/skills/homework				
Chemistry Clinic	N5-N6	Miss McKerlie	Wednesday 12.55-1.15pm	Sci 3
Open to all N5/Higher students for support with classwork/skills/homework				

Why you should join a club?

Notes

- To develop passions and interests
- To learn new skills
- To blow off steam and have fun
- To meet new friends
- To develop positive relationships with your teachers
- To improve your physical and mental health
