

# magic breakfast

fuel for learning

Inverclyde Academy is proud to be in partnership with Magic Breakfast, providing healthy breakfasts to our pupils so that they are settled and ready to learn. Magic Breakfast provides us with nutritious breakfast food to ensure our pupils start their school day in the best possible way. Breakfast gives children the energy needed for the busy school morning, enabling them to focus on their lessons. Here at Inverclyde Academy we are absolutely committed to ensuring that nobody starts the day too hungry to learn. Our Magic Breakfast includes a range of fresh fruit, delicious hot bagels and water and is a great meeting point for staff and pupils alike.
