If you have any enquiries about this booklet, please contact Ms McCready, Depute Head Teacher of Senior Phase, Inverclyde Academy, Cumberland Road, Greenock, PA16 0FB, Telephone 01475 715100 or your child's Pupil Support Teacher.

INTRODUCTION

Inverclyde Academy has a proven track record of supporting its pupils into positive school leaver destinations. Key to this success is how we support all of our pupils at important times of transition.

In S4, we encourage all our young people to achieve at least 6 National Qualifications whilst still engaging with core PE, RMPS and PSE.

In S5/6, we have greater expectations of pupils as leaders in their school environment. We want to utilise the strengths of all seniors and create opportunities for them to contribute to the school.

We hope that the information in this booklet is helpful and fully supports you to make key subject choices as you move from S3/4/5 to S4/5/6. We wish you every success on the next step of your learning journey.

Understanding the Option Choice Form

We offer free option choices at Inverclyde Academy. This means that pupils can choose any combination of subjects they wish and we will endeavour to fit the timetable around them. However, there are some restrictions to take into account. **Where we are unable to match your combination of subjects to the timetable, we will use your reserve subject so you must pick it carefully.** Do not assume the reserve will not be used.

Your options form will be completed electronically. However, we will provide a paper copy for you to use in discussions in class and at home before you make your final choices.

Number of subjects required

Pupils must follow a set number of courses in S4, S5 and S6 as indicated below:

- S4-6 – 6 courses plus core time if not studying any Highers
- S5/6 – 5 courses if taking at least one Higher
- S6 only – 5 courses (minus one for each Adv Higher to a minimum of 3)

S4 & S5 should also bear in mind that they **are not permitted to 'crash' new subjects**. You must make choices based on the subjects you are already taking. 'Crashing' is only available in S6.

Consortium Courses

Inverclyde Academy is part of a consortium that includes all Inverclyde secondary schools and West College Scotland. If you are unable to study a course at Inverclyde Academy, we **may** be able to arrange for you to take the course at a consortium school (mostly in S6). However, columns and choices may need to be flexible to secure the courses you most desire or require.

West College Scotland also offers courses in subjects which schools do not. Places for these courses are limited and more details will be available during the application process in April.

The lists below are still to be confirmed by the college for Session 23-23.

S4 Vocational Courses – Wed pm only

Course Name	SCQF Level	Campus
Childcare	Level 4	Waterfront
Intro to Early Years & Care (still tbc)	Level 4	Waterfront
Hair, Makeup & Beauty	Level 4	Finnart St
Rock School Live Performance	Level 4	Finnart St
Construction Crafts	Level 4	Finnart St
Computer Games Development	Level 4	Finnart St
Intro to Automotive	Level 4	Finnart St
Greenpower: F24 Kit Car Team	Level 4	Finnart St
Engineering	Level 4	Finnart St
TV Production	Level 4	Finnart St
Sound Production	Level 4	Finnart St
Medical Laboratory Skills	Level 5	Finnart St
Intro to Pharmacy	Level 5	Finnart St
NPA Sport Unit based	Level 5	Finnart St

You will find full S4 course details here: <https://www.westcollegescotland.ac.uk/media/214426/s4-booklet-22-23-lc130122-002.pdf>

S5/6 pupils must be aware that the college selection process will determine whether or not you gain a place on these courses so you are advised to make your Guidance Teacher aware of your back up subject at school should you be unsuccessful. Bear in mind that you may not get a place in your preferred school subject if you need to use it as back-up at a later stage.

S5 and S6 Vocational Courses

Course	SCQF	Credits
Automotive Maintenance	Level 3/4	IMI Award
Automotive Body & Paint Repair	Level 3/4	IMI Award
Motorcycle Repair & Maintenance	Level 3/4	IMI Award
Introduction to Plumbing	Level 4	2 Units

NPA TV Production	level 5	National Progression Award
Engineering	Level 5	Group Award
Data Science	Level 5	National progression award
NQ Cabin Crew with Airport Operations	Level 5	NQ college cert & SQA units
NPA Criminology	Level 5	National Progression Award
NPA Sport – intro to developing sporting performance	Level 6	National Progression Award
Microbiology & Pharmacology for Healthcare	Level 6	(2) 0.5 credits (2) 1 Credit
Access to Early Years with Primary Teaching	Level 6	TBC
Higher Psychology	Level 6	Higher NQ
PDA Office Admin	Level 7	Personal development award
Human Body Structure & Function	Level 8	Infill

You will find full S5/6 course details here:

<https://www.westcollegescotland.ac.uk/media/214406/greenock-s5-6-booklet-22-23.pdf>

Foundation Apprenticeships – S5/6 only

West College Scotland is working in partnership with Skills Development Scotland to deliver exciting Foundation Apprenticeship courses for S5 & S6 pupils in our local schools. They are aimed at pupils who have completed National 5s in S4 or are working towards all National 5 level qualifications in S5 as **you must be capable of working at Higher level by S6**.

A Foundation Apprenticeship is the same level of learning as a Higher (SCQF level 6). As pupils are working towards their qualification, they will spend time out of school at college and with a local employer. Please note that the Level 6 courses are the equivalent of TWO subject columns in S5/6.

Why should you consider a Foundation Apprenticeship?

Here are just a few reasons why you should consider taking a Foundation Apprenticeship:

- Gain a qualification recognised by employers, colleges and universities;
- Get the hands-on experience and skills that employers want;
- Get a taste of your chosen career before you leave school whilst achieving N5s and Highers;
- Get an option for accelerated entry to a Modern Apprenticeship after school;
- Enhance your application and personal statement for college or university;
- Develop self-confidence, problem-solving and leadership skills.

As with other college courses, you should ensure you have a back up subject in mind should you be unsuccessful in gaining a place.

However, if you are interested in applying for a Foundation Apprenticeship, you can find out more at:

<https://www.westcollegescotland.ac.uk/courses/foundation-apprenticeship/apply-now/>

FOUNDATION APPRENTICESHIPS			
COURSE	SCQF LEVEL	TIMETABLE	TIME
Construction Skills	Level 5 (1 column)	Tues & Thurs pm	1.30 – 4
Accountancy	Level 6 (2 columns)	Tues, Wed, Thu & Fri pm	1.30 – 4
Food Technology	Level 6 (2 columns)	Tues & Thu pm Wed FULL DAY (<i>Work Placement after Oct Break</i>)	1.30 – 4 9.30 – 4
Engineering Systems	Level 6 (2 columns)	Tues, Thu & Fri FULL DAY (Block Work Placement also)	9.30 – 4
Healthcare	Level 6 (2 columns)	Tues & Thu pm Wed FULL DAY (<i>Work Placement after Oct Break</i>)	1.30 – 4 9.30 – 4

If you are interested in a Foundation Apprenticeship, you must submit an application online by following this link as well as selecting an FA within your option choices

- <https://www.westcollegescotland.ac.uk/courses/foundation-apprenticeship/apply-now/>

If anyone needs support with completing this application form, please make an appointment with Chloe McKay in the Career Zone.

HNC Classes – S6 only

S6 pupils who have the necessary entry requirements can opt for an HNC infill course, which will be studied at West College Scotland for approximately 2-3 days per week as indicated below. This is a measure of our commitment to “Opportunities for All”.

Any S6 pupil opting for an HNC is advised to opt for at least 2 more additional subjects to be studied on the remaining days at school. **It is important to note that pupils are responsible for catching up with all work missed in school when they are out at college.**

COURSE	SCQF LEVEL	DAYS - TBC
HNC Travel & Tourism	Level 7	HNC (Mon & Tues all day)
HNC Music	Level 7	HNC (Tues & Thurs all day)
HNC TV Production	Level 7	HNC (Tues & Thurs all day)
HNC Sound Production	Level 7	HNC (Tues & Thurs all day)
HNC Fitness, Health & Exercise	Level 7	HNC (4 afternoons/infill)
HNC Sport Coaching & Development	Level 7	HNC (4 afternoons/infill)

Important Information

Sixth Year students will build on their Higher successes in Fifth Year by progressing to Advanced Higher. **Higher and Advanced Higher courses not mentioned overleaf are likely to be offered on a consortium basis.** Students should give serious consideration to the enrichment offered by enrolling for such a course in a different educational establishment while retaining strong links with the base school.

National Qualification courses are no longer made up of individual units. However, pupils can still achieve stand-alone units where they are not being entered for a whole course award. Units assess minimum competence only and are assessed on a pass/fail basis.

If you complete a whole course award, you are not awarded any individual units but all course passes are graded at A, B or C level. Where a grade D is achieved, this indicates that the course has been completed but not passed. It is what is known as a course award and may not be accepted by colleges, universities or employers.

Using your prior results

Look carefully at your results for the different areas assessed in your most recent report. Think about which subjects are your most successful and which departments are congratulating you on your hard work and effort in these areas. Consider your progress in these subjects and the success you could see next year if you were to take this subject at the level above. Your past success in subjects will be of great help in your decisions for the following year.

Making the choice

When choosing your courses, you must decide what subjects and level of course would suit you best. To help you make your choice, you should consider your abilities, future career needs and interests. **You should find out which courses and levels of qualification are needed for the college, university, apprenticeship or employment pathway you have in mind.** Do not assume you know what they will be looking for; you could be surprised by some of the entry requirements so ensure you have done your research before making your choices. Discussing your ideas and research with subject teachers can also be of huge benefit as they know a great deal about the pathways linked to each area.

You should also bear in mind that **pupils are not permitted to 'crash' new subjects in S4 or S5.** In these years, you must make choices based on the subjects you are already taking. Opportunities to pick up new subjects or 'crash' as it is often known may be available in S6 if relevant to your pathway.

Equal Opportunities

Young people used to be misled into thinking that certain subjects and careers were better suited to girls and others to boys. PSE lessons about the dangers of stereotyping have helped to encourage students to be open-minded when making subject and career choices. The careers and lifestyles of all are changing. Employers nowadays are most concerned about getting the right person for the job. Your choice of subjects and career should be based on your skills, abilities, interests, personality and health.

Christmas Leavers

Students whose sixteenth birthday falls between 1st October and 28th February of S5 must stay in full-time education until Christmas – **unless you have had a Personalised Learning Package approved by the Education Authority.** For more advice on this, please speak to your Pupil Support Teacher.

Curriculum for Excellence is built on pupil learning from the ages of 3 up to 18. We strongly advise all of our pupils to remain in education, for as long as possible, unless they have secured a positive school leaver destination such as a suitable college place, apprenticeship or full-time employment.

If you are intending to leave school at Christmas in S5, you should manage to complete one or even two units per subject before leaving. Provided your class work is up to date, you will receive recognition of these achievements when the SQA certificates are issued in August. You can carry on these courses later at college if you wish.

Please note that Christmas leavers are not permitted to be full-time college students until January of the leaving year unless approved by the local education authority as part of a Personalised Learning Package.

Senior School Life

When pupils reach Senior Phase in Inverclyde Academy, there are many different opportunities offered in an attempt to broaden their experience both educationally and in their life as young adults. There will be many activities that involve them in taking responsibility, making decisions and organising events not only for themselves but for the rest of the school.

Enterprise activities such as Work Experience or Placements can be arranged by our DYW Coordinator and we would urge ALL students to make the most of these years to achieve academically and to become involved in the wider life of Inverclyde Academy.

Leadership opportunities

- Leadership Team (Head & Depute Heads)
- House Captain(s)
- Senior Buddy
- Pupil Parliament
- The Career Ready Programme
- Member of a school working party
- School Committees – Prom, Charities, Yearbook, etc
- Duke of Edinburgh
- Supporting pupils in the Impact Zone
- Volunteering in junior classes in which you have secure attainment
- Volunteering in a local primary school

Summary of points to remember

- Have a clear pathway that you want to follow and make sure you have researched it fully. Find out about the entry requirements needed for any jobs, apprenticeships, college or university courses that you are considering. Make sure your information is up to date.
- Use your exam results carefully - see previous information.
- Choose subjects you are good at and enjoy. Be realistic about what you are able to do - there is little point in taking a subject which has caused you serious difficulty in the past.
- Choose the type of course that best suits your abilities.

Are you:

- able to work on your own, e.g. for independent study?
- better at practical work than written work?
- prepared to study and work hard for a Higher?
- Discuss your options with other people. Ask them for information, help and advice - but remember you must make the final decision for yourself.

Checklist for Pupils

Use the list below to make sure you do not miss anything important. Have you:

- Discussed your options with family/friends/teachers. ☐
- Chosen subjects and levels that match your pathway and entry requirements:
 - Jobs ☐
 - Apprenticeships ☐
 - College courses ☐
 - University courses ☐
- Selected the correct number of courses:
 - S4 – 6 courses ☐
 - S5/6 – 5 courses & Elective if NOT studying any Highers ☐
 - S5/6 – 5 courses if taking at least one Higher ☐
 - S6 only – 5 courses (minus one for each Adv High - minimum of 3) ☐
- Checked that your results match the level you selected. ☐
- Chosen subjects you are good at and enjoy. ☐

Exemplar Options Form

Section 1: All about you...

Please tick the boxes that apply to you on each row: (✓)

We offer you a free choice which means that you can choose the combination of subjects that will ensure you can study the qualifications required for your chosen career path. However, there are some restrictions which have already been outlined to you.

Please provide your First name:

Please provide your Surname:

What gender do you identify with?

Male

☐

Female

☐

Other

☐

What year are you currently in?

S3

☐

S4

☐

S5

☐

What House group are you in?

Arran

☐

Cumbræ

☐

Eriskay

☐

Section 2: Career Planning.

Making the correct option choices is key to ensure you fulfil your career aspirations. To support this, please complete the questions below which are linked to your career planning. This information will help us to support you to achieve your goals.

What is your anticipated leaving date?

End of S4

☐

Xmas S5

☐

End of S5

☐

Xmas S6

☐

End of S6

☐

What is your preferred route when leaving school?

University

☐

College

☐

Apprenticeship

☐

Employment

☐

What course / job would you be interested in when you leave school?

Section 3: Current Subjects & Levels

Use the boxes below to list all your current subject and current level:

Current Subjects in S3/4/5:	Current Level (e.g. Level 2/3/4 for S3 or Nat 3/4/5, Higher or Level 4/5/6 for NPAs in S4-5)
<i>e.g. English</i>	<i>National 5 (estimate grade C)</i>

Section 4: Options

Pupils must follow a set number of courses as indicated below – **please tick the correct subjects and levels and use the totals at the bottom to check:**

- S4 – 6 courses plus core time
- S5/6 – 5 courses & Elective if NOT studying any Highers
- S5/6 – 5 courses if taking at least one Higher
- S6 only – 5 courses (minus one for each Adv Higher to a minimum of 3)

Unless in S6, you can only select from the subjects you are currently studying or those that progress on from those subjects e.g. Higher Photography for those who have already passed Art.
