LEARNER JOURNEY L3

Through the BGE we will continue to building fluency with place value, the four main operations and problem solving which includes puzzles, real life scenarios and word problems. Class teachers will ensure the pace and challenge is appropriate and will adapt the timeline given where necesary to meet the needs of the learners.

Term 1

• Algebra

Rounding and

Multiples and Factors

Tolerance

In mixed sets you covered Problem Solving and the Four operations.

You have now moved in to your class set and will begin more bespoke work.

Block 2

Topics:

- Fractions
- Percentages
- Decimals
- Money
- Coordinates
- Algebra

- Length
- Perimeter
- Angles
- Time
- Algebra

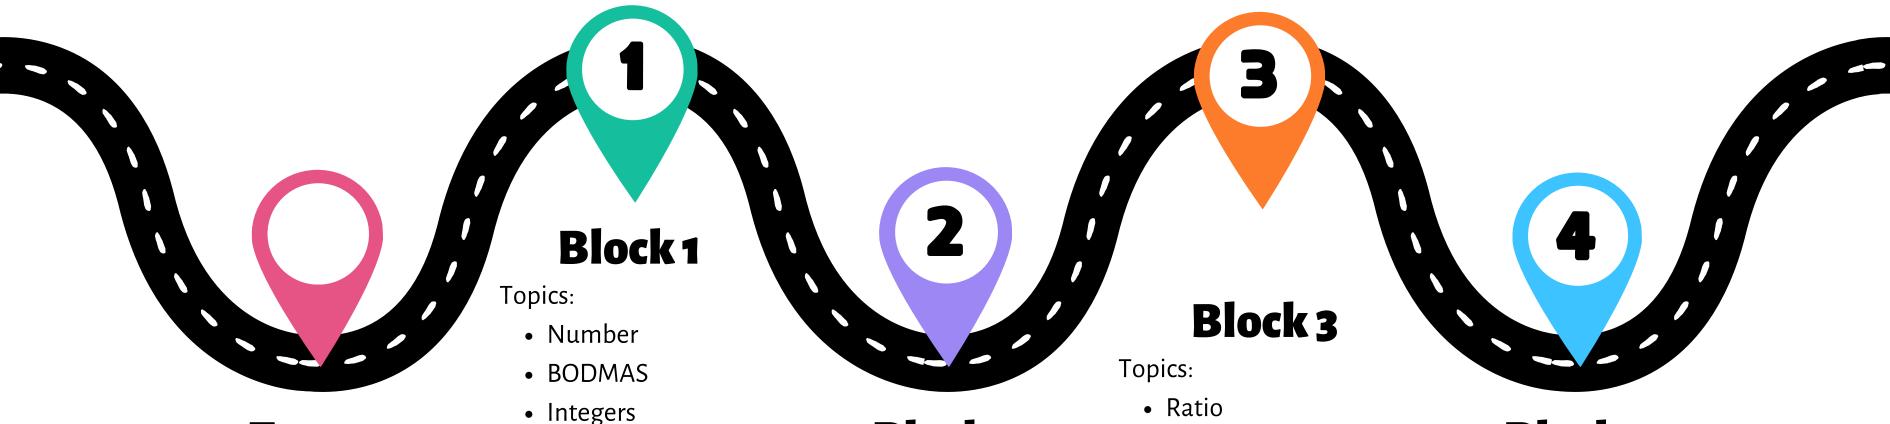

Block 4

Topics:.

- Angles
- Probability
- Statistics
- Area
- Volume
- Patterns
