

PE SESSIONS

The nursery children have PE sessions in the Gym Hall throughout the year. This ensures that they become confident with the space, apparatus and equipment. The PE sessions are led by the nursery staff or visiting specialists, some sessions are with the Primary 1 children.

BOOKBUG SESSIONS

We are very lucky to have a fantastic library in the school. The nursery children visit the library on a regular basis. They can borrow books to take back to the nursery. The library is a huge part of school life in KPS as all children take part in #KPSLovesReading! The nursery children also take part in fantastic Bookbug sessions.

INDUCTION DAYS & PARENT WORKSHOP/INFORMATION EVENTS

Not only is it important for the children to feel safe, secure and confident in their new environment we also want parents, carers and family members to feel the same. We have arranged Workshop/Information Events and Induction Days in June. The purpose of these events is to welcome you and your child into the school and the P1 classroom. You will have the opportunity to work alongside your child in the P1 classrooms and your child will spend some time with their P1 teacher and you can spend some time with the school DHT and HT, where you will hear all about what happens in the school. This is the perfect time for you to ask any questions you may have.

NURSERY/PARENT LUNCH

You are invited to come for lunch one day with your child! You can share the exciting experience of going to the dining hall together. This is the perfect time to discuss any dietary requirements your child may have with the school staff. A copy of the lunch menu is on the school website.

We hope you have found this Transition Leaflet helpful....we look forward to welcoming you into Kilmacolm Primary School very soon.

For more information about the school visit the school website (kilmacolm.inverclyde.sch.uk) and follow the school on Twitter @KilmacolmPS.
