

## Going to Kilmacolm Primary School

This is Kilmacolm Primary School, this is the main entrance to the school.

This will be the door I will use to go to my class.

This is where I will hang up my coat and school bag. I will also change my shoes here.

My classroom will look like this.

It will have a smart board.

There are toilets for boys and toilets for girls. The toilets are behind the classroom.

Sometimes we will go to the gym hall for PE.

We will play in the playground and on the *MUGA* at break times and lunch times.

This is where I can sit at lunch time.

There will be knives, forks and spoons for eating my lunch.

I can choose my school lunch from the menu on the website or I might have a packed lunch.

Sometimes I will go to the library with my class.

Sometimes I will go to the computer suite with my class.

This is the Head Teacher's office, her name is Mrs McCredie.

This is the Depute Head Teacher's office, her name is Mrs McPherson.

This is what the Kilmacolm Primary School uniform looks like.

Everyone in Kilmacolm Primary is looking forward to seeing you very soon!
