

KILMACOLM PRIMARY SCHOOL

Dear Parent

School Update on Transitions

As you know, transitions and changes are part of everyone's life. The vast majority of children and young people look forward to moving on however in these unfamiliar times transitions could be more challenging. Therefore, I am writing to inform you of the procedures that we are putting in place to ensure that your child feels as prepared as possible for next session and that you, as parents, feel confident about his/her next step in education.

To support you and your child at this time, we will be making the following available:

- A special film 'KPS School Tour' is available on the school YouTube channel so that all pupils transitioning into the school or within it, can see where key classrooms and learning spaces are.
- An interactive map of the school with linked pictures of the different areas in the school is available now on the school website.
- A transition booklet for each nursery/primary class, containing photos of rooms and staff. The P1 booklet is available now on the school website and the school app. The other booklets will be available as soon as staffing has been confirmed.

Additional information for pupils transitioning into Primary 1 and Secondary 1

- On-line communication for parents to replace the parent meetings around induction that normally take place at this time of year. For those parents who may not be able to access this, the school will provide further information.
- Arrangements will be made for all individual pupils requiring additional support with their transition. For many children this process has already started however if this is not the case, we will be in touch with parents to confirm details.

For more information on our school, please visit our website kilmacolm.inverclyde.sch.uk. Please also sign up for Twitter (@KilmacolmPS) and our school app (search for school apps, then search for Kilmacolm Primary School, the username is KPS and the password is 2019).

Yours sincerely

Simone McCredie

Head Teacher
