

WELCOME TO P3

Meet the Teacher

Hi boys and girls,

I'm Mrs Boyle and I am your P.3 teacher. I have been in Kilmacolm Primary School for a very very long time and I love it! I'm sure I have taught some of your brothers and sisters.

I have 2 children, Tom who is 13 and Milly who is 10. I also have 2 black cats called Pickle and Pepper who are brother and sister and they are only a year old.

When I'm not at school I like to be outdoors, going for walks and reading.

I am looking forward to seeing you all in August!

Get to know Miss Boyle

Here are some fun facts about me:
I absolutely love animals! I enjoy reading and I make sure I do it every day, normally before I go to sleep. I also love being outdoors and I make sure I go for a walk or even sit outside and read a few times a week. I have a fear of sharks but lucky I am not likely to meet one in Scotland! One of the other things I enjoy is socialising with my friends and family!

The logo for the card game 'Top Trumps' is displayed in a bold, black, stylized font. The word 'TOP' is positioned above 'TRUMPS', with a registered trademark symbol (®) to the right of the 'P' in 'TOP'. The entire logo is set against a white background within a red-bordered box.

Love for animals	100%
Reading	75%
Being outdoors	80%
Love of sharks	1%
Friends and family	70%

ENTRY AND EXIT

Uniform

Full school uniform

- Boys: grey trousers/ shorts
- Girls: grey pinafore/skirt or tartan pinafore/kilt or blue summer dress
- Boys & Girls: white shirt and school tie, navy school (or plain) sweatshirt/ sweater/ cardigan/ fleece.

The children will need a pair of wellies/outdoor shoes for Outdoor Learning days.

Play-based learning

We will be incorporating some play-based learning into the P3 curriculum. Play encourages children to be independent and autonomous learners, developing a sense of responsibility and self-motivation towards their learning.

1. Games play

Games can help to consolidate skills in any subject. For example, card games & board games will be used to improve knowledge and understanding in mathematics. Games are also great for building team-work skills.

Some types of play

3. Role play

Role play improves social skills and allows for opportunities for speaking and listening across the curriculum. For example, pretend play will be used to help children develop story telling skills and imagination for creative writing.

2. Exploratory play

This kind of play allows children to be an explorer or investigator. For example, in loose parts play the children will be developing creative and critical thinking skills by encouraging them to explore different materials, use their imagination and experiment freely.

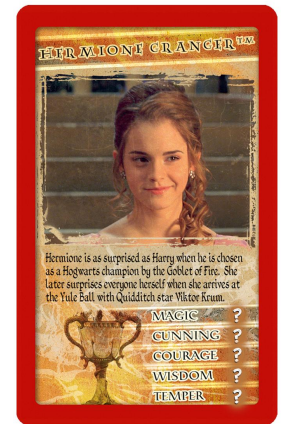

Top Trumps

Can you think about some awesome facts to include on your own Top Trump card?

On the first day we will be creating a class set of Top Trump cards that we will display on the wall. This will help us to get to know you even better! Over the summer have a think about what facts you would like to share with us.

You might want to think about:

- Likes/dislikes
- Hobbies
- Favourite sport/colour/food
- Do you have a special talent?
