Welcome to Primary 7!

This is going to be a very exciting year as I've already taught most of you in Primary 2, so I'm really looking forward to getting to know you all again- plus there are some new faces for me to meet!

I've been a teacher at KPS for a while now and this is my 3rd year in P7, so I've already taught quite a few of your siblings.

I love teaching P7! It's such an important and special year for you all. This year we're going to work hard and have lots of new learning experiences- but we'll also have lots of fun and make plenty of memories during your final year at KPS!

Getting to know each other...

Here are some facts about me and I would love to hear some facts about each of you!

I have 3 children:

Jack who is 16, Eddie who is 5 and Thea who is 4.

I am dog daft!

I have two Lhasadoodle dogs, Roly and Pheobe. They are very sweet but also totally bonkers!

I love: wearing colourful clothing, drinking coffee, chocolate, walking my dogs, reading and having my nails done.

KPS Values in P7...

1. **K for Kindness**

I expect P7 to be the school role models by demonstrating kindness to each other, to themselves, to school staff and to younger pupils.

2. **P for Positivity**

Every day in P7 is a fresh start! I would like you all to come into school each morning with a positive attitude and a growth mind-set.

3. **S for Success**

Success in P7 will look different for you all as individuals. However I would like you all to work hard, try your best, have fun and leave P7 with lots of amazing memories!

2 Summer Holiday Activity!

To let me get to know you better I've given you all a 'Dear Mrs K' activity sheet to fill out.

This will give you a chance to tell me anything you think might help make Primary 7 your best year yet!

Please return either before the summer holidays begin, or on the first day back which is Friday the 18th of August 😊

Two Truths and a Lie

This is a fun game to let me know some weird and wonderful facts about you. Two of your facts should be true, one should be a lie and I have to guess! Here are mine for you to have a go yourselves:

1. I was a VIP guest at Radio 1's Big Weekend in Dundee this year.

2. At University I learned to tightrope walk.

3. My favourite ever job was being a waitress at TGI
