

# Meet the Teacher

Welcome to...

Primary 7 2024/25 with  
Mrs Hughes

Hello everyone!  
I am Mrs Hughes, but some of you may remember me  
as Miss Montgomery 😊

Welcome to Primary 7!

This is going to be a very exciting year as I've already taught most of you in Primary 5, so I'm really looking forward to getting to know you all again- plus there are some new faces for me to meet!

I've been a teacher at KPS over the past 2 years and I'm very excited to be back again full time.

P7 is such an important and special year for you all and I couldn't be happier that I get to be part of it. We are going to have such an amazing year filled with hard work, new experiences, and of course, fun! I cannot wait to make lasting memories with you all during your final year at KPS!

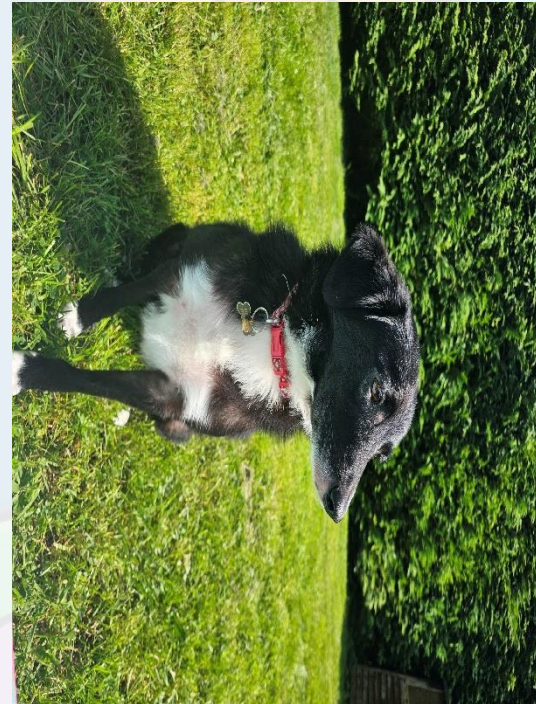

# Getting to know each other...

Here are some facts about me:

I have a little boy called Jack who just turned 1 in March. He recently started walking and is keeping us very busy!

I also have a, not so little, rescue dog called Belle. She is from Romania and just turned 3 years old.

I love: spending time with my family, going camping, reading, drinking tea and going to the cinema.

# 1 KPS Values in P7...

## 1. K for Kindness

I expect P7 to be the school role models by demonstrating kindness to each other, to themselves, to school staff and to younger pupils.

## 2. P for Positivity

Every day in P7 is a fresh start! I would like you all to come into school each morning with a positive attitude and a growth mind-set.

## 3. S for Success

Success in P7 will look different for you all as individuals. However I would like you all to work hard, try your best, have fun and leave P7 with lots of amazing memories!
