I have worked in KPS for 12 years now so I've been lucky enough to teach some of you before and might even have taught some of your brothers or sisters! I love KPS and I can't wait to get to know you all in our fabulous P5 team.

Here are some questions to think about over the holidays which I may ask you in class in August...

1. What would you like to achieve or learn by the end of P5?
2. What are you most looking forward to this year?
3. Can you tell me 3 things you love to do outside of school?
4. What is your favourite thing about KPS?
5. Can you tell me 3 interesting facts all about you that you would like me and your classmates to know?
