

MEET THE TEACHER

INTRODUCTION

Welcome to Primary 7!

My name is Mrs Kretowicz and I have been a teacher at KPS for almost 10 years. In fact I've already taught many of your siblings.

Primary 7 is my favourite year to teach and I'm really looking forward to getting to know you all and making some amazing memories.

P7 is such an important and special year. You might be feeling excited, nervous or a little bit of both about the year ahead. Either way we're going to have a brilliant and busy time and I cannot wait to make lasting memories with you all during your final year at KPS!

In P7 please:

- Wear either full or relaxed school uniform with no branded items.
- Bring a water bottle and snack every day.
- Be at school for 9am.

FUN FACTS

- I love teaching in KPS, but did you know I was also a pupil here and I went to Port Glasgow High School. My two children Eddie and Thea go to school here now too!
- I love rugby and play for Paisley Womens Rugby Team as a blindside flanker.
- I love dogs, coffee and listening to Podcasts.

OUR SCHOOL VALUES

In my class you will all be treated and celebrated as individuals with different personalities, skills, challenges and talents. However in P7 we need to remember that we are the KPS role models and should all try our best every day to demonstrate our school values: Kindness, Positivity and Success.
