

How to login and navigate Teams via a computer or laptop.

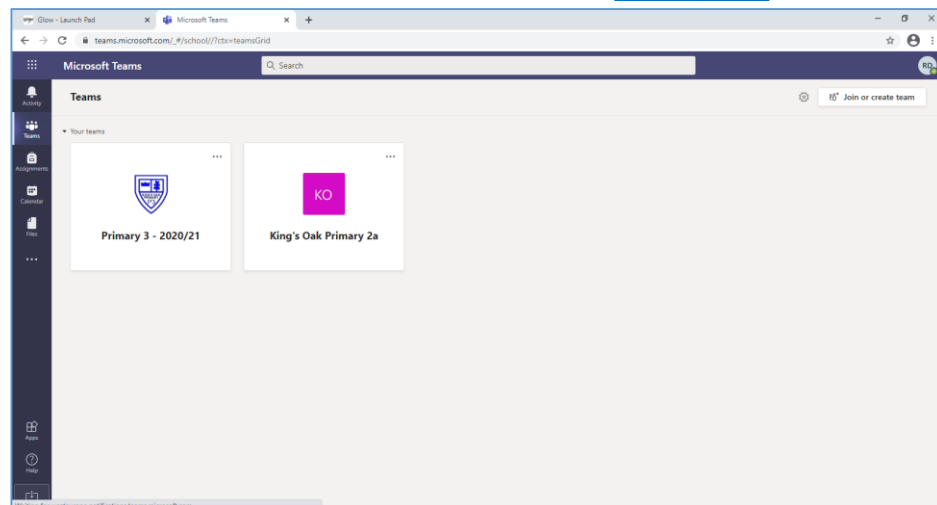

Image 1

Steps

1. Login to Glow. If you require help, Please see the 'How to login to glow instructions.
2. Download the teams app/ tile. If you require help, please see the 'Adding a tile to glow' instructions. Click on the teams app as shown in [Image 1](#).

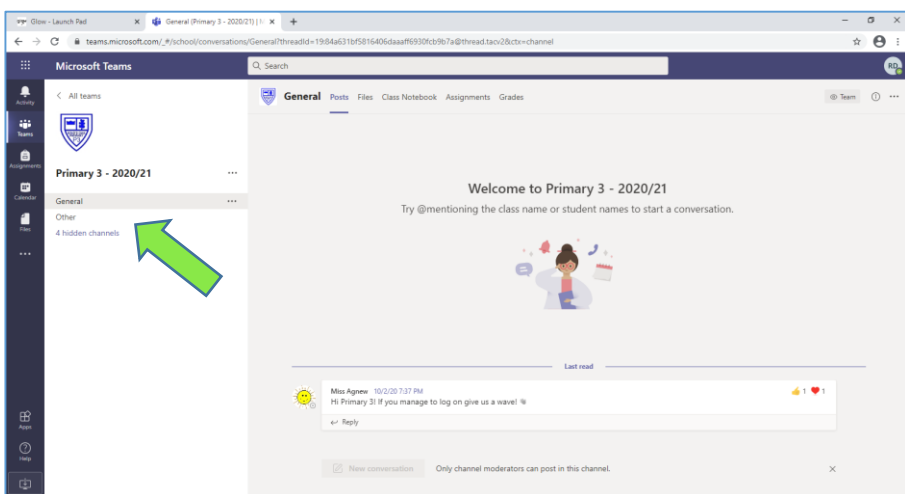

Image 2

Steps

3. Click on the team and Primary that you are wanting to join, for example in [Image 2](#) you should click on Primary 3.

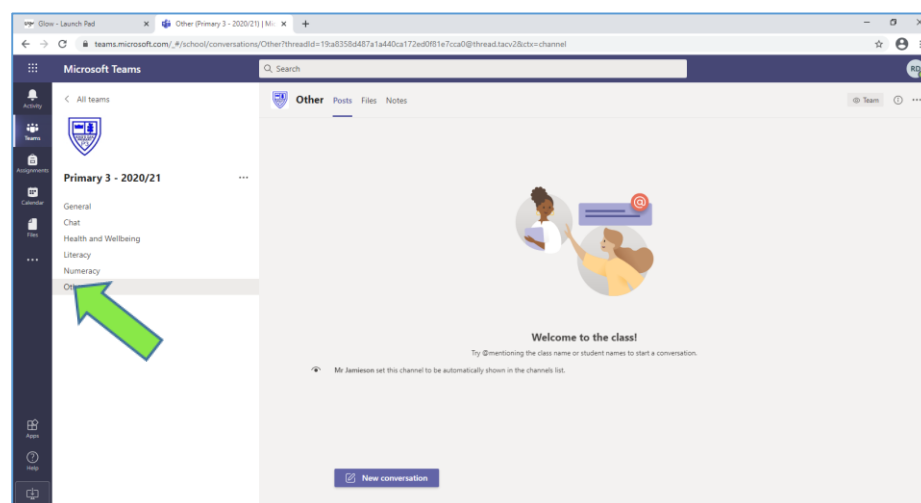

Image 3

Steps

4. Now that you are logged into the team, the channel you will normally automatically be routed to is the 'General' one. You can see from [Image 3](#) that Miss Agnew has sent a message to Primary 3.

Steps

5. In [Image 4](#) it shows the different channels within the Primary 3 team. The general channel is where the teacher will make important announcements, this should not be used for social chat. You have a 'chat' group, this is where the class can meet each other for fun and exchange messages with their friends. Please note there are different channels, eg. Health and Wellbeing.

Steps

6. To reply to a message, make sure that you click 'reply' and do not create a new post. Please see [Image 5](#).

How to log onto a teams call.

Image 1

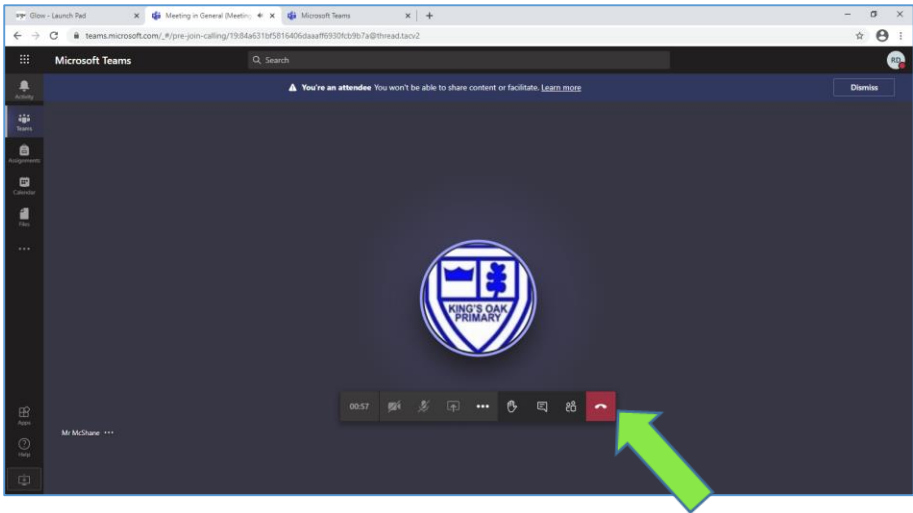

Steps

1. On the general teams channel/ tab you will see that a teacher may have scheduled a call with the class, this can be see in [Image 1](#). You can click on the event and join a live call with the class by entering the event.
2. Similarly, you can see the Join button on [Image 1](#), this allows you to join a live chat or lesson with the class.

Steps

3. When you see a screen similar to [Image 2](#) you will be on a live call with your team/ channel. To hang up, click the red phone icon as in [Image 2](#).

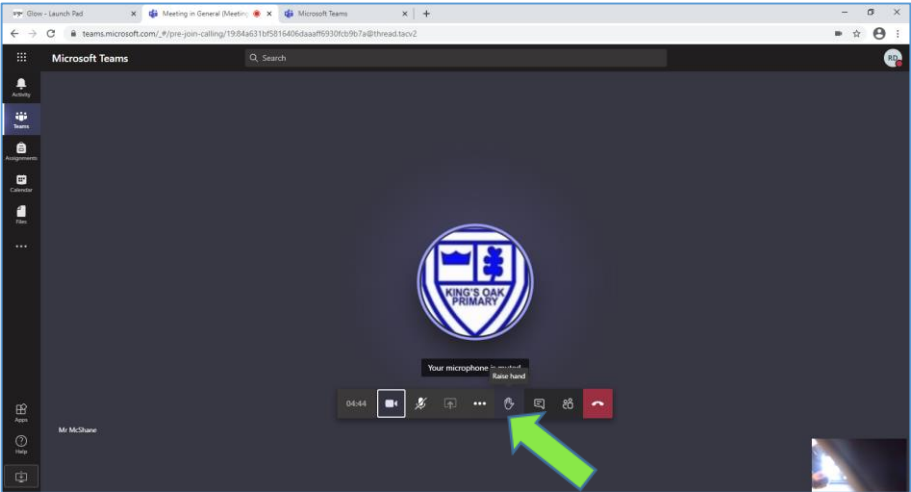

Image 2

Steps

4. Other functions that are available are the microphone mute/unmute button. While on a teams call, always keep muted unless you have been asked by the teacher to speak or answer a question. Using the camera is optional.

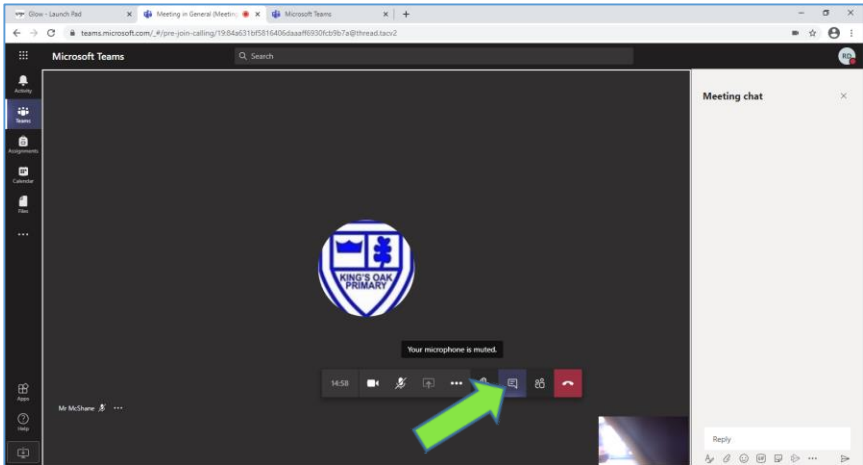

Image 4

Steps

5. 'Raise your hand' If you have a question, as shown in [Image 4](#) you can make the teacher aware if you have a question. Similarly, the teacher may ask you to raise your hand.

Image 5

Steps

6. If you need to ask a question or contact the channel during the chat you can Use the 'meeting chat' function, which is shown on [Image 5](#) , this is a live chat during the call and can be accessed down the right-hand side of the screen.
7. There are more functions and buttons on the screen that you may wish to explore in your own time.
