Our Vision: From tiny Acorns, Mighty Oaks Grow!

Dear Parent/ Carer,

A very warm welcome to you if you are new to King's Oak, particularly new P1 families. We look forward to building relationships with you over the coming years and to getting to know you and your child. To all of our returning families, a warm welcome to academic session 2024-2025.

Welcome

Kind regards,

Kirstin Glancy, Head Teacher

Meet the Teacher Event

We are really looking forward to our first event of the session!

We will hold our 'Meet the Teacher' event **on Wednesday 28th August**

from 3:10 – 4:10pm. This event will allow parents and carers to come into classes and see classrooms, make acquaintance with the teacher if they are a new face for you and to answer any questions you may have. If any parents/ carers would like a tour of King's Oak we can also arrange this, so please feel free to ask. Our family hub space will be open with some cold drinks and biscuits available. This is a drop in event and parents can visit classes for all of their children. We look forward to seeing you next week at this event. To enter this event, please use the **Gym Hall Door** and staff can guide you from there.

Breakfast Club

Breakfast club is fully open with no restrictions on who can attend. Breakfast club is open from 8am Monday – Friday and is entered via the gym hall doors where staff meet children. Children have the choice of cereal, toast, fruit and milk or water. Games and activities are provided for children after they finish their food.

Children remain with breakfast club staff until 8:50am and infant staff will remain with children until 9am.

It would be great to see some new faces and children accessing a healthy breakfast before school. The cost is £1 per day or free of charge if you are in receipt of free school meals. Please see the office for a registration form for any children attending for the first time.

Ms. Craynor and Mrs Daly from the kitchen look forward to welcoming your child(ren).

X (Twitter)

Every week each class teacher will post at least one update of learning from their class. This is where you will find pictures and videos (of permitted pupils) from school events. Please follow us @KingsOakSchool.

Water Bottles

Unfortunately we do not have the provision to provide disposable cups for children on a daily basis. These are not cost or environmentally effective. We have two water fountains for children to refill their water bottles available, one on either floor. Please ensure your child has a water bottle (labelled with their name) to bring with them on a daily basis, particularly as it can still be quite warm outside at present.

School Uniform and Uniform Hub

Our children look incredibly smart and this is down to the huge efforts and expense of all of our parents/ carers. Thank you for taking the time to have our children looking so smart and proud to be part of the King's Oak community. Our full school uniform is pictured for your information. Our uniform hub is also available for anyone to access.
