

**Larkfield ELC**

**Spring Newsletter**

**March '22**

The first Blooms of spring always make our hearts sing.

Grab a cuppa and have a read of the latest updates we have to share with you.

### **Covid19 Update**

We ask that you continue to wear face coverings at drop off & collection times, unless exempt. If your child has tested positive or is displaying any of the Covid19 symptoms, please give us a call and keep your child at home.

### **Easter Celebrations**

There will be Easter themed experiences ongoing throughout all playrooms next week. We will be having our Easter Event on Wednesday 30<sup>th</sup> March.

I wonder what hop-tastic fun we will get up to?

### **Transitions to School**

Can you believe it's that time of year already? We have been working alongside the local Primary Schools to plan transition visits for our pre-school children which will roll out over the next few months. They will have the opportunity to visit the classroom, gym hall and outdoor areas with staff from the nursery. Staff will be on the door to complete parent permission forms for these visits, over the next few weeks.

Let's get physical ...

### ATTENTION ALL GROWN UPS

Our Family Support Worker Claire Brown will be leading an adult exercise dance class in the nursery carpark after the Easter Holidays. What better way to socialise with other parents whilst keeping your mind and body healthy? If you are interested, please speak to Claire at drop off/pick up times for more info. Grab your trainers, put on your comfy clothes and dance the Larky way!

### Some of our play and learning this block ...

The importance of play cannot be underestimated. Play is essential for our Wee Yins growth and development.

#### Dates for your diary:
