

# Child Protection at Lomond View and NEST

## Your Rights

You have the right to be:

safe

cared  
for

listened  
to

## It is not okay if...

someone  
hurts  
your  
body

Someone  
makes  
you feel  
bad  
inside

you are  
not  
looked  
after  
properly

Someone  
touches  
you in a  
way you  
do not  
like

someone  
makes you  
do things  
you do not  
want to

someone  
tries to make  
you believe  
or do things  
that hurt  
others

If you are worried or feel unsafe, talk to an adult you trust

Susan McClement  
Headteacher

or

Iain Brown  
Principal Teacher

or

another adult  
you trust
