

Primary 2 Class Information Leaflet 2020-2021

Class Teacher: Miss Greenwood

Listed below are the main areas of learning for your child's class. Please note, all children learn and make progress at different rates. Some learners require further challenge, while others require support and consolidation of previous learning.

Maths and Numeracy

- Place Value (Tens and Units)
- Numbers to 20, building up to 100
- Addition and Subtraction within 20
- Mental Maths strategies
- Fractions - introduction to division (halves and quarters)
- Time (including o'clock and half past)
- Money to 20p
- 2D and 3D Shape
- Information Handling
- Measure
- Estimating
- Financial Awareness (Whole school)

Literacy and English

- Phonics: developing the reading, writing and spelling of different letter groups and words (e.g. ay, ea, ow, ue, aw, oi, au, ew, ou, igh, y, magic 'e', ss, ll, ff, kn, mb)
- Spelling common words
- Continue to develop an interest in reading and the written text
- Reading Skills - inference, prediction, sequencing, retrieval and vocabulary
- Writing across different genres - personal, imaginative and functional
- Punctuation - capital letters, full stops, question marks and commas
- Grammar - nouns, pronouns, verbs and adjectives
- Dictionary Skills

Health and Wellbeing

PE:

This term PE will take place outdoors. The government will review this again in October.

PE outdoors will cover team games, ball control skills and athletics.

When we return to indoor PE we will also be able to focus on gymnastics.

Although we are promoting children being outdoors to learn, we fully appreciate the weather here can be very temperamental and often will not allow such pursuits to take place. Your child will not be taken outside in heavy or persistent rain to take part in PE or outdoor learning.

- Athletics (e.g. throwing, running, jumping and catching)
- Gymnastics (e.g. balance, forward/backwards roll)
- Outdoor Games (e.g. team games)
- Rebound Games (e.g. ball control skills)

As part of Health and Wellbeing we will also look at:

- Children's Rights - Class Charter
- Sexual Health and Relationships Education (SHRE)
- Mental Health
- Mindfulness

Contexts for Learning

Throughout the session additional areas will be identified and shared with you. Across our school, children lead the learning. We collaborate with the pupils to identify contexts for learning (topics) which cover the Curriculum for Excellence experiences and outcomes for your child's particular level.

Other Curricular Areas

- French
- BSL
