

Moorfoot Nursery Class

WE ARE ALLERGY AWARE!

We are committed to providing a safe environment for all children. To keep our community safe we:

- **Ensure snacks in packed lunches are safe and nut-free.**
- **Encourage everyone to wash their hands before and after meals.**
- **Do not share your packed lunch with anyone.**
- **Provide allergy menus to families.**
- **Tell an adult if your friend feels unwell.**

Together, we can create a safer environment!
