

## Access to Home Learning using GLOW

Learning materials are available from home through the following Online Apps:

Show My Homework

Microsoft Teams

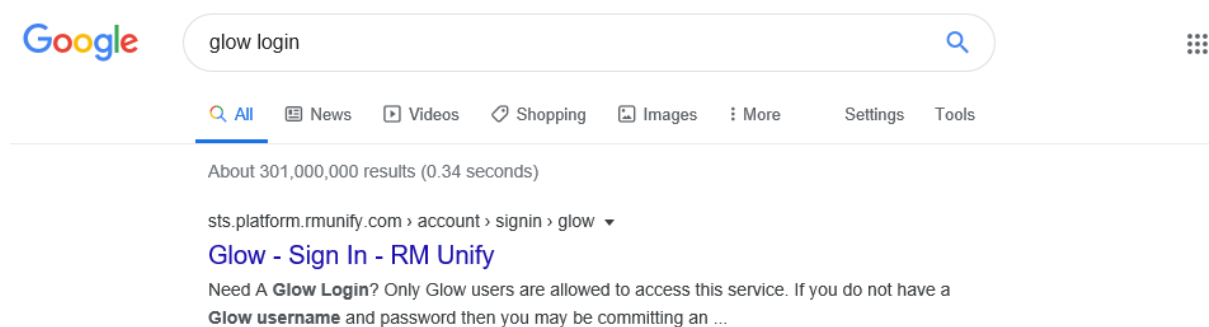

SCHOLAR\*

\*SCHOLAR is a national resource for pupils studying N5, Higher and Advanced Higher subjects

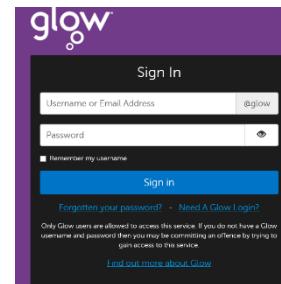

These are all accessed through **GLOW**. Pupils should login every school day to check for any updates.

### ACCESS INSTRUCTIONS

Step 1: Use Google to search for **Glow login**

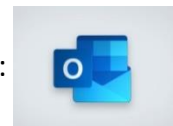

Step 2: Login to Glow as usually done in school (***please contact the school to reset your password if you have forgotten it.***)

Step 3: Select one of the the icons above to check for work set by your teachers. (If you cannot find the icon search for it on the glow Launch Pad).

Please also check your **school email** regularly through Glow using the Mail App:

### **Other resources:**

My World of Work (careers) through Glow; BBC Bitesize website; [mathsrevision.com](https://www.mathsrevision.com); [national5maths.co.uk](https://www.national5maths.co.uk); linguascope.com (BGE Spanish); [foodafactoflife.org.uk](https://www.foodafactoflife.org.uk) (HFT); SQA YouTube Channel for various skills demonstrations (HFT)

**BBC Television** will be broadcasting learning content from Bitesize starting on Monday on the BBC Scotland channel. It will also be available on iPlayer and online.

**Glow is also available through Xbox, so no excuses!** <https://youtu.be/rWTwAfLKbkU> to see how.
