 Stacey Gillen

Youth Worker - Transitions Project

Contact number

01475 735180

Hi, My name is Stacey Gillen, I joined the Centre in July 2017. My role is the Youth Worker. This role focuses on providing information and advice for 16-25 year old Carers as well as supporting them moving into adult services. I have 8 year experience of working with Young People of Inverclyde in a variety of settings and look forward to transferring my experiences into this new job role.

There will be the opportunity for Young Carers and Young Adult Carers to attend groups and also have one to one support.

sgillen@inverclydecarerscentre.org.uk

Stacey can help you to apply for additional funding of around £50. This is for young carers up to the age of 19 as this week is Carers week. It could be for an online subscription, sports equipment, books, beauty equipment etc. The centre will order it the item for you and then sent these out to you.

About us Who is a Carer Support for Carers Information & advice What's on

Young Carers

Our Young Adult Carers Service supports carers aged between 16-25. If you are looking after a family member, relative or friend who is frail, disabled, mental health problems or is affected by alcohol or drug misuse then you may be a young adult carer. If the answer is yes to any of these then you could be a Young Carer!

Do you...

- Pay the bills?
- Do the shopping?
- Do most of the cleaning?
- Look after someone who has a long term illness, mental health condition, disability or is affected by drug or alcohol misuse?
- Do most of the cooking?
- Help manage medication?
- Help with bathing and dressing?
