Dear Parents,

Term dates 2023/2024

Please find attached an overview of the term dates for the academic year 2023 / 2024 which were agreed by the Education Committee.

You will note that in the academic year 2023 / 2024 we will start back in August with 2 in-service days which then results in pupils reporting to school on a Friday i.e., for one day before the first full week back. This situation happens every few years and is very difficult to avoid.

As in previous years we have worked alongside other authorities to agree alignment of academic calendars to make it easier for families.

Yours truly,

Michael Roach
Head of Education
