

**PORT GLASGOW
HIGH SCHOOL**
SUCCESS FOR ALL

**Extended
Supported Study
Timetable (Updated)**

January 2022 - March 2022

Supported Study is your pathway to success this year....

- **it offers you the chance to reinforce your class learning**
- **it offers the opportunity to gain directed help and advice from class teachers**
- **it allows you to spend additional time targeting areas you need help with**

This year – we extended the Supported Study offer to span **20 weeks** between October 2021 and your final course assessments. This allows you to spread out your study more evenly and to target all your subject areas, where offered, without feeling overwhelmed by too many study sessions too close together.

Attending Supported Study should form part of your weekly study plan from now until the end of March. Doing this will help you to build your confidence and be well-prepared for course assessments.

You should:

- ✓ **Sign up in advance for Study Sessions with your class teachers**
- ✓ **If you sign up – you must attend the session. Texts will be issued for non-attendance to alert parents. If you have a good reason you cannot attend, please let your class teacher know in advance.**
- ✓ **Prepare a weekly Study Plan NOW – this is essential for maximising your success this year. See the sample Study Planner at the end of this booklet and see Ms Welsh for blank planners you can complete with your own plan.**

Transport home IS available on request. Please see Ms Welsh if you require this. Please do not miss study sessions due to lack of transport. Transport is not available for pupils living within walking distance of the school campus.

YOU MUST SIGN UP IN ADVANCE WITH YOUR CLASS TEACHER – GET READY FOR SUCCESS THIS YEAR!

Week 9: 10 – 14 January 2022

(all sessions in school unless marked as i-Study)
