

Following extensive consultation with learners, parents, partners and staff in session 2017/18, we have established a shared vision, values and aims which is unique to our school community and reflects our shared ambitions and aspirations for our young people.

VISION, VALUES & AIMS 2018

VISION

The community of St Columba's High School nurtures every young person's God-given talents. We offer each young person the opportunity to achieve and grow in an environment of love and respect.

VALUES

AIMS

To offer rich learning experiences which inspire engagement and enable all young people to thrive both within and beyond the classroom.
