

SCHOOL IMPROVEMENT PLAN SUMMARY 2019-2020

- Improve teacher judgements via continued engagement in tracking & moderation activities
- Further develop the quality of learning, teaching and assessment including literacy and numeracy
- Establish a series of Family Learning workshops for literacy and numeracy
- Implement new self-evaluation for self-improvement policy
- Plan further professional learning activities with a focus on learning and teaching (OSIRIS)

Improve
Attainment,
particularly in
literacy and
numeracy

Close
attainment gap
between the
most and least
disadvantaged

- Establish a PEF steering group to help shape the PEF spend and plan and evaluate appropriate interventions.
- Ensure staff are fully aware of the poverty-related attainment gaps in their own classroom and implement the required interventions to secure expected progress.
- Further develop a systematic approach to tracking and monitoring pupil attendance and punctuality

- Record and monitor pupil engagement in wider achievement opportunities including STEM based activities
- Enhance our S6 curriculum offering
- Develop Digital Literacy experiences and outcomes
- Further develop S3 curriculum with a focus on: profiles, employability skills and Citizenship programme.
- Improve and sustain positive school leavers' destinations

Improve
employability
skills and
sustained
positive school
leaver
destinations

Improve
Health &
Wellbeing

- Develop our faith through prayer, liturgy, and in partnership with the church
- Introduce HWB inserts to our Senior Phase curriculum
- Establish a series of Family Learning workshops: mental health; family fitness; financial education; social media/on-line safety
