P7 – S1 Transition to St. Columba's High School

Dear parents,

I would like to take this opportunity to welcome you to St Columba's High School. We are very much looking forward to welcoming your child to the school as part of our new intake of S1 pupils next session.

As we are currently unable to engage in face-to-face transition events at this time, we have contacted primary schools to arrange virtual meetings with P7 groups. We hope to arrange further transition events once it is safe to do so.

Online Information

A pre-recorded information session for parents and pupils will be available from 6.30pm on Tuesday 30th March via our school website: <https://blogs.glowscotland.org.uk/in/schwebsite/transitions/primary-7-s1/>

Microsoft Team

A Microsoft Team will be established for Primary 7 pupils to provide a forum for questions and additional resources to support their transition to secondary. Pupils will be able to access this using their Glow credentials.

Welcome Pack

We will provide pupils with a welcome pack in June which will include: a refillable water bottle and a school tie.

Contact

Please do not hesitate to contact us by phone call or through our online contact form on: <https://tinyurl.com/4pnep2m5> if you have any further questions. We are here to help.

Yours faithfully,

Iain McLean
