## PRIMARY 7 TRANSITION PLAN 2022

KEY INFORMATION FOR PARENTS

# WELCOME TO ST COLUMBA'S

PRIMARY 7 TRANSITION 2022.

Firstly, we would like to take this opportunity to welcome you to St Columba's High School. We look forward to welcoming your child to the school as part of our new intake of S1 pupils in August 2022.

The purpose of this booklet is to provide you with some information and reassurance as you help to prepare your child for the move to secondary school. We fully appreciate that this can be a daunting experience for both pupils and parents and are keen to do whatever we can to offer some reassurance.

The information contained within this booklet discusses some of the most common uncertainties experienced by Primary 7 pupils (and their parents) as they prepare to move to secondary school. It aims to offer some practical advice and support to help them overcome these concerns and enjoy the experience.

We hope that you find it useful and look forward to working with you in the months and years ahead.

*Mr Iain McLean*

Depute Headteacher

# THE TRANSITION PLAN

PRIMARY 7 TRANSITION 2022.

Firstly, we would like to reassure you that the transition process for your child is already underway. The transition to secondary school takes place over the course of Primary 7.

Some pupils requiring a little extra support will visit the school as part of their Enhanced Transition Programme, while Mrs Cormack, our Principal Teacher of Support for Learning will liaise with our Primary colleagues to gather information about the learning needs of pupils.

Some of the Transition Plan for 2022 may look quite different, however we will continue to work very closely with our Primary colleagues to ensure that we gather all the information that we will need to ensure that your child has a positive transition to secondary school.

FAITH. AMBITION. INCLUSION. PERSEVERANCE.

## INFORMATION GATHERING

Mr McLean, Mrs Cormack and the S1 Guidance teacher will continue to gather vital information from your child's Primary School in relation to their attainment profile, their strengths and interests, their learning needs as well as any other important information that we will need to prepare for their arrival at St Columba's in S1.

As part of these discussions we will begin to compile a profile of information for each pupil and the most effective ways to support them.

## ASSIGNING CLASSES

Pupils may be concerned about what classes they will be in when they move to St Columba's and whether they will be in classes with their friendship groups.

As in previous years, we will work in partnership with Primary staff to ensure that we can do everything possible to enable each pupil to be placed in a class with people that they get on with and work well with.

FAITH. AMBITION. INCLUSION. PERSEVERANCE.

## INDUCTION DAYS

Traditionally, formal induction days are an important part of the transition process.

This session, we hope still to have an opportunity in June 2022 for pupils to visit the school for a couple of days to follow a timetable across a variety of curricular areas.

Until then, we have a number of plans in development to find new ways of introducing pupils to staff and to their new school environment. These will include: video tours, online questionnaires and information from subject departments.

## VIRTUAL TRANSITION

As with many aspects of school life just now, we will look to use technology to keep in touch with you and your child.

We will try to make use of social media services such as Twitter and online learning platforms such as Microsoft Teams.

We would encourage all P7 parents to follow the school Twitter account @\_stcolumba

## HERE TO HELP

While we are confident that we will put these in place in the lead up to your child's move to St Columba's you may have some questions or things that you would like to discuss and clarify.

Please feel free to contact the school if you have any such queries and we will do all that we can to help. In the first instance you should contact Mr McLean or a member of the Guidance team.
