### **S3 into S4 Mock Option Choices 2022**

Dear parents,

At this time of the school year we encourage S3 pupils to start to consider which subjects they would like to study into S4 for their SQA National Qualifications.

All pupils in S4 will study English, Maths, RE and Core PE.

At this stage we would like to ask pupils what their preferred four options would be plus one additional reserve option should any preferred option not be available. Please note that this is a Mock exercise at this stage and pupils will have the opportunity to confirm their subject choices in March/April. You will notice that at this stage pupils have been given a free choice of any four subjects. Final option columns will be constructed to maximise pupil preferred options, after the Mock options are collated.

Please take the opportunity to discuss the attached options with your child. Further information is available on: <https://blogs.glowscotland.org.uk/in/schwebsite/transitions/bge-to-senior-phase/>  
Click on the banners to find out further information about each subject.

Please submit the Mock options using the online form: <https://forms.office.com/r/6xi8AERbcE>

by **Friday 11<sup>th</sup> February 2022**. Alternatively, you can submit the options form attached.

Pupils will have an individual interview with the careers advisor and an opportunity to discuss their options with their guidance teacher. Pupil progress reports will be issued at the end of February and a Virtual Curriculum Evening will be arranged for later in the term to support final option choices. Please do not hesitate to contact us if you require any further information.

Yours faithfully,

*IMcLean*
