

# Study Resources for Design & Technology

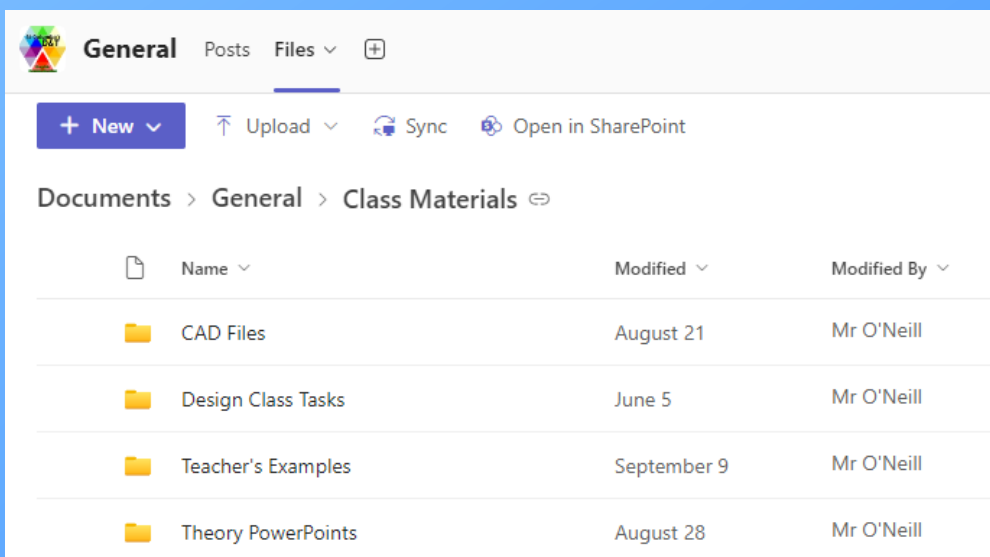

For all Senior Phase courses in Design & Technology, study materials can be found on **Microsoft Teams**.

Ensure that you are in the correct team and navigate to the **General** channel.

Select the **Files** tab at the top of the screen.

Open the **Class Materials** folder where you can find all of the theory and study resources your teacher wishes to share with you.

# Achieve QR Codes

*Log into your Achieve account and use the QR codes below to access subject-specific study materials.*
