

# What are we doing to improve our school this year? 2024-2025

We are developing our reading and writing by improving our prior knowledge.

We are continuing to develop play in Primary 1 and 2 and developing outdoor learning across the whole school.

We are continuing to develop positive relationships across the school and making sure the wellbeing needs of everyone are being met.

We will continue to focus on learning, teaching and assessment with the aim to raise attainment across the school.

We are making sure our pupil leadership groups have clear action plans and can measure the impact of their work.

We are developing meta skills, particularly Critical Thinking, Collaborating, Adapting, Creativity and Initiative.
