

# St Michael's Primary

## Transition Booklet Primary 1

## Mrs McGachy

My name is Mrs McGachy and I am the Primary 1 teacher. I have been a Primary 1 teacher for a long time. I really enjoy welcoming new boys and girls into school and helping them settle in and make new friends. I was so happy to meet you all when you visited the school and I am excited for you to join St Michael's Primary in August. We have got lots of fun learning planned and I am looking forward to learning more about you. I hope you have lots of fun with your learning pack.

This is Room 2 which will be the Primary 1 classroom. Mrs McGachy has your classroom set up for you to play and learn. You will have your own seat with your name on the table to remind you of where to sit. There is lots of space in your class to move around and join in lots of fun learning activities.

This is the entrance you will use to the school grounds each day. You can follow this path down to reach your line up area. You will also leave using this pathway each day.

This is where you will line up each morning. Your teacher will meet you at your line up point and lead you into school. It is important to remember to keep your distance when travelling into and around the school. Your teacher will help you with this. There will also be posters around the school to remind you.

This is the pathway for you to use when you arrive and leave school each day. There are green dots on the ground to show you where to stand to ensure everyone is safe.

Once you arrive at school and line up in the P1 line up area, you will then enter the school by this door. You will also leave at the end of each day by this door where you will find your family member waiting to collect you.

**CORONAVIRUS (COVID-19)**  
Please follow these guides

**Social distancing**  
Please keep a distance of 2 metres (6ft)

**Hand washing**  
Wash your hands with soap and water often - do this for at least 20 seconds  
Use hand sanitiser gel if soap and water are not available

**Coughs & sneezes**  
Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze  
Put used tissues in the bin immediately and wash your hands afterwards

**Don't**  
Do not touch your eyes, nose or mouth if your hands are not clean

**Thank you**

You will see this sign around the school to remind you of how to keep safe. Washing hands is very important to keep ourselves and others safe. We have hand sanitiser stations for you to use when you enter and leave the building as well as at each door when you travel around the school. We will also have hand washing times throughout every day. This will be when you arrive in the morning, before play time, after playtime, before lunch, after lunch and before you go home.
