

# St Michael's Primary

## Transition Booklet Primary 4a

## Mrs Deegan

Hi Primary 4a, my name is Mrs Deegan and I will be your teacher this year. During the Summer holiday I got married and changed my name from Miss Pyott to Mrs Deegan. I can't wait to see you all in class and share a super year together. I am so excited to watch you all prepare and receive your Sacraments this year, it will be so special. We are going to have so much fun learning together! I know many of you have seen me around St Michael's Primary School, but this year we can all get to know each other much more. I love music and Disney, so be prepared for lots of singing and dancing.

This is Room 8 which will be the new Primary 4a classroom. There is lots of space to move around and work with your classmates at different areas. Your teacher has your class ready for you and can't wait for you to return to school in August.

This is where you will line up each morning. Your teacher will meet you at your line up point and lead you into school. It is important to remember to keep your distance when travelling into and around the school. Your teacher will help you with this. There will also be posters around the school to remind you.

This is the entrance you will use each day. You will also leave using this doorway each day.

This is the pathway for you to use when you arrive and leave school each day. Each class has a different pathway to ensure there is enough space to safely socially distance.

You will see this sign around the school to remind you of how to keep safe. Washing hands is very important to keep ourselves and others safe. We have hand sanitiser stations for you to use when you enter and leave the building as well as at each door when you travel around the school. We will also have hand washing times throughout every day. This will be when you arrive in the morning, before play time, after playtime, before lunch, after lunch and before you go home.

### CORONAVIRUS (COVID-19)

Please follow these guides

**Social distancing**  
Please keep a distance of 2 metres (6ft)

---

**Hand washing**  
Wash your hands with soap and water often - do this for at least 20 seconds  
Use hand sanitiser gel if soap and water are not available

---

**Coughs & sneezes**  
Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze  
Put used tissues in the bin immediately and wash your hands afterwards

---

**Don't**  
Do not touch your eyes, nose or mouth if your hands are not clean

**Thank you**
