

Ionnsachaidh Dachaigh – Home Learning

Ainm:

Class: GP4

Every day choose at least one of the activities below. Maths activities should be completed in yellow homework jotter, all other activities (writing, topic, art, etc) to be completed in green jotter in Home Learning Pack. If the activity is in a blue box it should be completed in **Gàidhlig**. If the activity is a yellow box it should be completed in **Gàidhlig and English**. For example, one diary entry written in Gàidhlig and one in English.

Gabh tòrr spòrs!

Create an interesting poster about a natural disaster.	Get lost in a good book – Reading for pleasure (Use the Gigglets link to access a Gàidhlig book).	Watch Newsround and share what you have learnt with an adult.	Can you make an acrostic poem about a natural disaster? Remember to use excellent VCOP.	Draw and label a character from a book of your choice.	Interview a family member about their childhood. Find 3 differences/similarities from your own childhood.
Create your own maths game based on addition, subtraction, multiplication or division.	Revise your times tables. Test yourself, a family member or a friend.	Play a maths game online, pick something to challenge yourself.	Make a jigsaw. Draw a lovely picture. Cut it up, muddle it up and put it back together.	Find an object or a picture of someone and sketch it. Remember to take your time!	Write a diary entry about the day in the life of you.
Do something kind for someone. Can you give them a compliment or help them with a task?	Collect some junk (kitchen tube rolls, boxes, packing etc). What can you make? What is it? What does it do? What is it called? Draw a picture of it and answer these questions.	Can you find 10 electric items in your house? Draw a picture of them and write the name of it.	Make and lead an exercise class for you family.	Help your parents around the house (cooking, cleaning and washing). Take pictures for evidence.	Bake a cake and write out the ingredients and recipe in your own words.

Class: GP6

Every day choose at least one of the activities below. Maths activities should be completed in yellow homework jotter, all other activities (Writing, topic, art, etc) to be completed in green jotter in Home Learning Pack. If the activity is in a blue box it should be completed in **Gàidhlig**. If the activity is a yellow box it should be completed in **Gàidhlig and English**. For example, one diary entry written in Gàidhlig and one in English. Gabh tòrr spòrs!

Create a fact file about a natural disaster.	Get lost in a good book – Reading for pleasure (Use the Gigglets link to access a Gàidhlig book).	Watch Newsround and write a brief summary of what you have learnt.	Can you make an acrostic poem about a natural disaster? Remember to use excellent VCOP.	Draw character from a book of your choice and write a paragraph about them.	Interview a family member about their childhood. Find 5 differences/similarities from your own childhood.
Create your own maths game based on multiplication or division.	Revise your times tables. Test yourself, a family member or a friend.	Play a maths game online, pick something to challenge yourself.	Write 3 days' worth of diary entries detailing your home learning days.	Create your own secret code using numbers and letters. Ask an adult to solve the code by completing a range of maths sums. A= 20, B = 5, C = 7... $4 \times 5 = 20 = \mathbf{A}$	Make a Quiz for your family with at least 10 questions. This can be about general knowledge, numeracy, novels, health and wellbeing.
Do something kind for someone. Can you give them a compliment or help them with a task?	Collect some junk (kitchen tube rolls, boxes, packing etc). What can you make? What is it? What does it do? What is it called? Draw a picture of it and write a paragraph about it.	Build a bridge using various materials (cardboard, newspaper, paper etc). Can it hold a heavy object? How heavy? Create a plan and write what you did and what happened.	Make and lead an exercise class for you family.	Help your parents around the house (cooking, cleaning and washing). Take pictures for evidence.	Bake a cake and write out the ingredients and recipe in your own words.
