

Dear Pupil (and Parent/ Carer!),

This pack has a wide range of activities that you can use so that you continue your learning at home. The activities are all based on the concepts that we have been learning in Primary 5 so far, and should give you a chance to consolidate your learning.

### Literacy

I've included a task list in this pack of activities that you can complete. This is also the perfect chance to get lost in a good book!

### Maths

There is a booklet of worksheets to help you revise concepts. Numberock videos on YouTube are a great resource to look at if you're not sure about anything.

### Topic

In this pack there is a grid of activities that link to our Titanic topic and provide possible activities that you could complete.

A jotter is provided for any written tasks.

Log-ins to Glow, Sumdog and Education City are also included in this pack.

If you have any questions, I will be checking our class Teams page on Glow so I'll try answer anything on there.

Hope to see you all soon!

Miss Dickson ☺
