

P7 Home Learning

Dear Pupil,

I hope you find this pack of Home Learning useful. It will allow you to continue your learning at home. I have included a wide range of activities from all areas of the curriculum and I hope you find these enjoyable.

On the back of this letter you will find our P7 Home Learning grid. Each activity is explained and can be carried out with or without a computer.

I have included a new jotter for you to record your learning and your log-ins for Glow, Sumdog and Education City.

Please remember to keep me updated via glow (invgw025@glow.sch.uk) or on our class Teams page.

Below is a list of helpful websites should you wish to explore these.
