

## Rainforest Homework Tasks

### Primary 3

With a parent/carer, complete four out of the eight tasks below. Have fun!

Draw a picture of your favourite animal in the rainforest and provide facts.	Write a story on the things you might find in the rainforest.	Find out 3 facts about one of the rainforests in the world.	Use facts to create the four layers of the rainforest and explain what animals you may find in each layer.
Design a food chain of animals in the rainforest	Find out 3 facts about the Amazon River.	Create your own Amazon River.	Create your own animal, what is it called? Provide 3 facts about your own species.
