Literacy		
Reading	Writing	Spelling/Grammar
<p>Task 1: Why not try our reading bingo that I have added to your Literacy jotter tab. There is variety of different reading activities to choose from! We are looking for two line this week (that's two vertical or horizontal lines. If you managed to get a line last week, you just need one more!) Who will get BINGO first!?</p> <p>Epic: www.getepic.com (If you are still not sure of the log in information let me know and I will share this with you again). I have added more books into your very own library. Have a look at the books and let me know what you think. You can also browse other books and let me know if you find any other interesting books. There is a quiz at the end of each book. Let me know how you get on!</p> <p>Task 3: Remember I have added story spinners in your Literacy jotter tab that you can use to talk about what you have read and check your understanding. I don't think anyone has used these yet?</p> <p>Task 4: I have added a book review into your literacy jotter tab for you to complete once you find a good book! There is also the five finger book review that you can use to discuss a book.</p> <p>Free selection of audiobooks: https://www.audible.co.uk/cat/Children-Audiobooks</p>	<p>Focus this week: Antonyms</p> <p>An antonym is a word opposite in meaning to another. Eg. Bad - Good Old - Young Whisper - Shout On - Off Can you think of anymore? Ask someone in the house to give you a noun and you have to find the opposite.</p> <p>Task 1: I have put a link to a video about Antonyms in your literacy jotter tab. Have a watch over and complete the questions. Then complete the Antonyms work that is also in your literacy jotter tab. Remember to let me know when you have completed any work and I will check and leave you feedback. Antonyms for Kids Classroom Video</p> <div style="text-align: center;">  </div> <p>Glow/Teams: Remember Wednesday is our usual writing day! I will post our writing task on teams each Wednesday - you can use Class Notebook (literacy jotter tab) to type this up. You can also write this down at home and send a picture!</p> <p>Daily writing ideas & activities: https://www.pobble365.com</p>	<p>Focus this week: Phonemes</p> <p>I have added your phoneme and words to get you started for the week in your literacy jotter tab.</p> <p>Task 1: Read, Cover, Write, Check. I have used the same table we always use for this.</p> <p>Task 2: Take your phoneme for the week and write down all the words you can think of which contain that phoneme that are not already on your list. Can you create any sentences with the words you have found? If you have a dictionary you could record the meanings of some of these words. Primary 4 - Can you put the words you have found into alphabetical order? Can you create a phoneme story with as many of the words you have found as possible. Lets make a target of 8 this week! Good Luck! Remember your learning of paragraphs from last week!</p> <p>Task 3: Remember there is a simple recipe for playdough in your literacy jotter tab. Why don't you have a go at making the playdough then use it to mould your spelling words. This is a fun task for following instructions and to help with spelling. I have also added extra active spelling activities as ideas of activities you could complete.</p>

Numeracy

Mental Agility	Number	Beyond Number
-----------------------	---------------	----------------------

<p>Task 1: Primary 3 Practise the 2, 3, 4, 5 & 10 times tables. Be a visible learner and decide which one you need to improve! Remember there are lots of songs on Youtube to help you learn them (see online list below)</p> <p>Primary 4 Practise the 6, 7, 8, 9 & 10 times tables. Be a visible learner and decide which one you need to improve! Remember there are lots of songs on Youtube to help you learn them (see online list below)</p> <p>Task 2: Primary 4</p> <ol style="list-style-type: none"> 1) $3 \times \underline{\quad} = 30$ 2) Write down a multiple of 5 between 22 and 32 3) $40 \div 10$ 4) $628 = 600 + \underline{\quad} + 8$ 5) Write down nine hundred fourteen 6) What is the next number? 17, 21, 25, 29, 33, <u> </u> 7) How many vertices does this shape have?  8) How many 2s make 14? 9) Round 165 to the nearest 10. 10) What fraction of the shape below is shaded?  <p>I have added a copy into your numeracy jotter tab.</p>	<p>Primary 3 I have added multiplying by 4 worksheets as you have shown me that you have got the 3x table and are ready to move on! These are in you Numeracy jotter tab. You can complete these by writing directly onto the sheet or you can write your answers down and send me a picture. I have also shared a link to a video which is really fun and gets you moving while learning your 4x table. Skip Counting by 4 Rap Song Dance the 4 Times Tables</p> <div style="text-align: center;">  </div> <p>If you would like a challenge I have left the Witches spell in your numeracy jotter tab for you to have a go! How many different potions</p>	<p>Focus this week: 3D shape</p> <p>Task 1: Mr Dyer has added a worksheet for P4 and a PowerPoint for P3 in your numeracy jotter tab. Remember to always be on the lookout for shapes on your daily walk or around the house. Make a note of all the different shapes you find. We could then use these on Teams and we could all try and guess what you have found? If you want to record the shapes then just add a new page in your jotter tab and then you can add to it every time you find a new shape.</p>

Primary 4/3

Week beginning: 11.05.20

Primary 4:- I have also renewed the warm up tasks in your numeracy jotter tab. Remember to be a visible learner and try the column suited to you.

Primary 3:-

1) $3 + 9$
2) Write down the next number: 18 19 20 21 22 23 24
3) How many sides? 
4) $11 - 5$
5) Which number is missing from the number line? 
6) How many fish? 
7) What number comes after 26?
8) How much money? 
9) I have 10 bananas. I eat 3 of them. How many are left?
10) Sally has 5 cakes. She makes 2 more. How many does she have now?
11) Draw the next shape in the sequence. 
12) Which number comes before 18?

I have added a copy into your numeracy jotter tab.

Fun games and songs for counting and times tables:

<https://www.youtube.com/user/JackHartmann>

can you make that will turn Mr Dyer and I into a frog!

Primary 4 - We have come to the end of our learning on fractions P4. We are now going to use our knowledge and complete some word problems. These are tricky so make sure you read over the questions carefully and then read again if you must! You might need to complete small parts of the question as you go along and then put all your answers together.

If you would like a challenge then I have left the number crossword puzzle in your numeracy jotter tab from last week. There is a blank square at the bottom to create your own for others to try!

Sumdog: Weekly Sumdog challenges and practice activities will be live from Monday 11.05.20 at 9:00am.

Countdown maths game to practice addition, subtraction, multiplication and division fluency:

Learning Across the Curriculum

Health & Wellbeing

Task 1: Remember to always look after yourselves boys and girls. Its very important to make sure that you are ok. We will have an emoji check in on teams or you can email me or tweet me how you are feeling each day. I will post this picture on teams as a reminder!

Task 2: I don't know about you boys and girls, but its very hard making sure I am eating well just now when I'm in the house a lot more! Mr Valerio has been cooking lovely meals and trying to include all the food groups. However, I can't resist some chocolate with my cup of tea, and I have many cups of tea throughout the day! What meals are you having? Do they include all the food groups? Are you helping with the cooking at home? What could you eat more of/less of? I would love to see pictures of all your cooking and baking! You could send me pictures, post them on Teams or on Twitter and make Mrs Valerio's mouth water! I have also added some tasks in your Challenge jotter tab to complete. *How many examples can you give of one of your five a day in each meal - breakfast, lunch and dinner? Breakfast could have banana on toast? Blueberries in your porridge...* *How much water or fluids are you drinking in a day? Are you drinking enough? Why not monitor it on our drink plenty diary.*

Other activities:

1. Cosmic Kids Yoga - www.cosmickidsyoga.com
2. Just Dance - You tube
3. Whats your best dance move? Can you try some of these dance moves from children in Zambia?
<https://www.youtube.com/watch?v=I3VzAOHhEUI>

Don't forget Dance Fridays! I will ask for suggestions throughout the week and then will post a vote on Thursday to see which song wins! We can then dance at 2:30 and video ourselves then we have time to share before the weekend! Can't wait to dance and have fun with you again! Last Dance Friday was Stop! By the Spice Girls! What will it be this week?

New topic: The Romans

This is our new term 4 topic...can you add your knowledge to a **KWL grid**? Fill in the first two columns for what you know and what you want to find out. We will complete the third and final column as a class after we have completed our learning. I have added a grid into your Challenge jotter tab and we can discuss throughout the week on Teams. Have a look through the story of Romulus and Remus on PowerPoint (Challenge jotter tab). Pay attention as there is also a quiz added to your tab! What did you remember? What did you forget? What was your favourite part of the story?

Mrs Bannerman has added some Gaelic resources for you to complete in your Challenge jotter tab. She is very impressed with the work completed so far! This weeks focus is feelings.

Look out for new learning activities and challenges uploaded via Glow/teams and twitter!

Science, Technology, Engineering and Maths (STEM)

Its National Digital Learning Week!

Every year we take part in National Digital Learning Week.

It's a chance to show off some of the things we do in school with technology and to try some new things!

Every day next week you will be set a task or challenge. These will be posted on teams and twitter each morning.

Once you've completed the task share what you've done with me on twitter using #WhinhillDigitalLearners. You can

also share with me on Teams or by email and I can tweet for you!

I have added some internet safety tasks that you can complete to remind us of staying safe online. You will find these in your Challenge jotter tab.

I can't wait to see what you get up to!

Focus: Science

Task: Play based learning

Mr Dyer has added a lovely little activity for you to complete outdoors. While you are in the garden in the nice weather or maybe when you are out your daily walk start collecting materials eg. Twigs, leaves, stones etc. Then use these to create a picture of someone. Maybe you could create a portrait of Mr Dyer? I'm sure he would love that! If you can't get out then why not use materials lying around your house to create a picture eg. Lego bricks, coins, spoons etc. Remember to share any portraits with us on Teams or on twitter or you could email them to me!

Follow this link for STEM home learning activities: <https://www.stem.org.uk/home-learning/primary>
