Week beginning: 18.05.20

Remember Friday is a holiday! So relax and take a break!
Monday and Tuesday of the following week is also a holiday!

Hopefully the sun comes out for us!

Literacy		
Reading	Writing	Spelling/Grammar
<p>Task 1: Why not try our reading bingo that I have added to your Literacy jotter tab. There is variety of different reading activities to choose from! We are looking for a full house this week (That's all boxes covered. If you managed to get two lines last week, you just need one more!) Who will get BINGO first?!</p> <p>Epic: www.getepic.com (If you are still not sure of the log in information let me know and I will share this with you again). I have added more books into your very own library. Have a look at the books and let me know what you think. You can also browse other books and let me know if you find any other interesting books. There is a quiz at the end of each book. Let me know how you get on!</p> <p>Task 3: Why not create a reading corner! You will need:</p> <ul style="list-style-type: none"> • Some pillows • Blankets • Bean bags • Your favourite books or a device. • Items to decorate your corner and to make it comfy! <p>Maybe you will add items that are not listed! Use your imagination for this one! Remember to share pictures of your new corners/dens!</p>	<p>Task 1: Primary 4: Opinions and sharing your reasons are very important in our class discussions. It's a good skill to keep an open mind and listen to the views of others. You never know, they might be able to persuade you! I have added a short Task in your literacy jotter tab which I think you will find fun!</p> <p><i>Should we get new playground equipment? Why? Do we need it? Do we have enough already? How does it help us? Do we look after it?</i></p> <p><i>What is the best pet to get? Why? Is it a dog? Are they really 'Mans best friend?' Is it a goldfish? Are they easier to look after?</i></p> <p><i>Share your opinions and reasoning.</i></p> <p>Primary 3: Then what happened? Do you ever read a story and wish that the ending was a little bit different? I have added a story starter to your literacy jotter tab that is not yet complete. Try to complete the story and tell me what happened next. You can also share your thoughts and opinions of the story.</p> <p>Glow/Teams: Remember Wednesday is our usual writing day! I will post our writing task on teams each Wednesday - you can use Class Notebook (literacy jotter tab) to type this up. You can also write this down at home and send a picture!</p>	<p>Focus this week: Phonemes</p> <p>I have added your phoneme and words to get you started for the week in your literacy jotter tab.</p> <p>Task 1: Read, Cover, Write, Check. I have used the same table we always use for this.</p> <p>Task 2: Take your phoneme for the week and write down all the words you can think of which contain that phoneme that are not already on your list. Can you create any sentences with the words you have found? If you have a dictionary you could record the meanings of some of these words.</p> <p>Primary 4 - Can you put the words you have found into alphabetical order? Can you create a phoneme story with as many of the words you have found as possible. Lets make a target of 8 this week! Good Luck! Remember your learning of paragraphs from last week!</p> <p>I have also added new active spelling activities as ideas of activities you could complete.</p> <p>Primary 3: Sentence structure. We know that sentences usually contain nouns and verbs. Use the lists given in your literacy jotter tab to create sentences using a word from each of</p>

Numeracy

Mental Agility	Number	Beyond Number
<p>Task 1: Primary 3 Practise the 2, 3, 4, 5 & 10 times tables. Be a visible learner and decide which one you need to improve! Remember there are lots of songs on Youtube to help you learn them (see online list below)</p> <p>Primary 4 Practise the 6, 7, 8, 9 & 10 times tables. Be a visible learner and decide which one you need to improve! Remember there are lots of songs on Youtube to help you learn them (see online list below)</p> <p>Task 2: Primary 4 Sudoku is a great way to warm up the brain. It also helps build problem solving, logic and critical thinking skills! Not to mention its great fun and addictive! I have added a copy into your numeracy</p>	<p>Primary 3 I have added a link to multiplying two digit numbers by one digit number using the upstairs and downstairs sums. We have looked at this method before in class and you will remember Primary 4 using it too. https://www.khanacademy.org/math/arithmetic/arith-review-multiply-divide/arith-review-multi-digit-mult/v/2-digit-times-1-digit-example-no-carrying</p> <p>Watch the video to remind you of the method and then complete the sums. Maybe you could create some sums of your own and try to challenge yourself. Remember only to multiply by 2, 3, 4 and 5 as this is what we have been working on.</p> <p>Primary 4 - Just before school closed, many of you were completing addition and subtraction of decimal</p>	<p>Focus this week: 3D shape</p> <p>Primary 3: Mr Dyer has added a Shape Wanted poster task. This looks very interesting! I know you will all have fun with this one!</p> <p>Primary 4: Mr Dyer has added some work on 3D shape nets. Look through the power point and try to work out which shape the nets belong to. Good luck!</p> <p>There are plenty of shapes around your house and in the garden. Why not try to create a masterpiece with different shapes or by just using the one shape? Can you recreate a famous building or your own house using 3D shapes from around the house? Remember to share pictures</p>

Monday and Tuesday of the following week is also a holiday!

Hopefully the sun comes out for us! ☀

Learning Across the Curriculum

Health & Wellbeing

Task 1: Remember to always look after yourselves boys and girls. Its very important to make sure that you are ok. We will have an emoji check in on teams or you can email me or tweet me how you are feeling each day. I will post this picture on teams as a reminder!

Please continue to tell me how you are feeling each day. Its important we share and we chat about it! Its ok not to be ok! Having a space to chat and catch up with our friends can make us feel better!

Task 2: I have kept your healthy eating work in your folders as there are a few activities that will take time to complete. You don't have to complete everything just pick and choose the activities you would like to complete.

Task 3: Why not try these new Yoga moves. It'll help to relax your body and mind!

ATLAS INDIA: DO

Try Yoga!

Put on some comfy clothes that you can move in. Find a clear, flat space and spread a mat or bath towel on the ground. Now take off your shoes and try these poses.

A diagram showing six yoga poses numbered 1 to 6. Each pose is accompanied by a small illustration of a person in the pose, the name of the pose in English, and its phonetic pronunciation in parentheses. The poses are: 1. tadasana (tuh-duh-suh-nuh-nuh) = mountain pose; 2. virabhadrasana (veer-uh-buh-druh-suh-nuh) = warrior pose; 3. vrksasana (vrik-suh-suh-nuh-nuh) = tree pose; 4. natarajasana (nah-tuh-rah-juh-suh-nuh) = dancer pose; 5. bhujangasana (buh-jung-guh-suh-nuh-nuh) = cobra pose; 6. balasana (bah-luh-suh-nuh-nuh) = child's pose.

A few more YOGA words:

- asana (uh-suh-nuh) Pose or position
- namaste (nah-muh-stuh) a respectful greeting
- yogi (yuh-jee) a student of yoga

Don't forget Dance Fridays! I will ask for suggestions throughout the week and then will post a vote on Thursday to see which song wins! We can then dance at 2:30 and video ourselves then we have time to share before the weekend! Can't wait to dance and have fun with you again! Last week was Pizza Hut! What will it be this week?

New topic: The Romans

I now have a better understanding of what you already know about the Romans and what you would like to learn. I have added a powerpoint to your Challenge jotter tab 'Who were the Romans'. Look through the powerpoint and take some notes on what you find out. Its then time to do your own research.

What buildings and items, that still exist today, can you find from Roman times - 2000 years ago!

Create a new tab in your challenge jotter tab and write notes on what you find. You could add pictures and facts that you find. You can also do this on your own paper and send pictures or keep it safe. We will use this in a task later!

What did you find from your research? Could you make sculptures of these buildings or artefacts? I have added a how to soap sculpture guide. Why not link this with your research and create your very own soap sculpture in the style of the Romans?

I have added this file to your challenge jotter tab so you can have a closer look! I have also added some examples of Roman sculptures! I am excited to see what you sculpt!

Mrs Bannerman has added some Gaelic resources for you to complete in your Challenge jotter tab. She is very impressed with the work completed so far! The focus this week is Days of the Week.

Here's another task to cheer someone up. It's also fun and creative so everyone's a winner! I have put a copy of the instructions in your Challenge jotter tab and you can see the result below. This is a rainbow pop out card for Mothers Day but I thought we could change it and make someone, anyone you choose, smile! Grandparents would love a surprise like this from you but a card like this even brightens up the postal workers, the bin lorry workers, neighbours, family... the list is endless. Create this card and then send it on to someone to show you care and spread a smile!

Hopefully the sun comes out for us! ☀

Look out for new learning activities and challenges uploaded via Glow/teams and twitter!

Science, Technology, Engineering and Maths (STEM)

Focus: Science

Task: Amp it up!

Mr Dyer has added a science and design activity. I have added a preview below. Take a look in your Challenge jotter tab for more information. Can you believe that the speaker drive in a set of headphones turns electricity into sound! Could we recreate this?

Follow this link for STEM home learning activities: <https://www.stem.org.uk/home-learning/primary>

Remember to share any of your learning on Glow/teams, twitter or email me.

I will be available on Glow/teams if you need me and to catch up! As always, stay safe and keep smiling!

Lots of Love. ❤
