Hello Primary 1! We hope you had a lovely couple of days off spending time with your family. This week is going to be a little different because it is a short week. Remember you don't have to do every activity, just do what you can manage. We are available on Teams every day to help and support you all in any way we can! Happy learning!

As this is a very different time for us all it would be nice to make some lasting memories that we could pass onto new family members in the future. This can also be for your future self to look back on. So we thought it would be nice to make a time capsule. You can either choose to keep it safe somewhere in your house or bury it somewhere for someone to find.

Here is a video to explain what a time capsule is:

We have added a time capsule project into the Files section of Teams. This is made up into a booklet of different tasks. There are arts and crafts ideas and there are also writing pieces that could be complete for your daily writing task. Here is a list of the different activities that are included. Feel free to print them off or create your own.

1. Create a front cover with a title and a picture.
2. Draw a picture of yourself and your family.
3. Create a poster all about you. This should include your name, age, favourite toys, food etc

4. Draw and write a sentence about something you have enjoyed during the time of Lockdown.
5. Draw a picture of your house and your local area. What type of things have you seen during your daily walks?
6. Draw a picture and write a sentence about some of the things you have been doing to keep busy.
7. Make a poster with the handprints of everyone in your house. You could draw around your hands or use paint to print them.
8. Draw about a special occasion you have celebrated e.g. Easter, birthday and a write a sentence about it.
9. Think of some questions to ask your parents about Lockdown e.g. What activities have you most enjoyed doing? How have you felt about home schooling? Draw a picture and a write a sentence about what your parents have enjoyed doing during Lockdown.

Encourage your child to check that they have a capital letter, finger spaces and a full stop at the end of each sentence. Ask them to sound out their words and spell their common words.

Remember to share anything you complete with us on teams or on twitter.
