

Cuairt-litir GP4-7

GP4-7 Newsletter

Àireamhachd Numeracy

- For numeracy, pupils are focusing on their multiplication and division strategies.
- We will be doing some work on fractions and decimals to increase our confidence.
- As a class we will be focusing on money and time this term.
- We are looking at subtraction and mental strategies this term to allow pupils to find what works best for them when calculating mentally.
- Christmas enterprise activities will incorporate money and timekeeping skills

Litearrachd Literacy

- This term we will work on persuasive writing.
- We will continue to have creative writing pieces which focus on specific days during the term, for example, Halloween, St. Andrews Day, etc.
- Writing, spelling and reading will be a week about in English and in Gaelic.
- We are focusing on close reading skills, reading for information from different sources.
- Our class novel is "The Escape Room" and we will be reading "The Christmasaurus" in December
- Science will allow children to develop their report writing skills.
- Animation will develop script writing skills across the class.

Slàinte agus Sunnd Health and Wellbeing

- For November we will be focusing on Achieving from the Wellbeing Indicators, and December will shift to Nurtured.
- Our visible learning planet will be Creative - a personal favourite in GP4-7
- For PE this term, we are learning about central net games - with a particular focus on badminton, tennis and netball with Mr MacPhee
- We will continue to work on our health and wellbeing through weekly dialogic sessions which focus on different topics, for example, we are unique, judging others, what are our strengths etc. We watch a short clip which is the stimulus for these discussions.

Luachan ar Sgoile
School Values
Honesty
Responsibility
Kindness
