Class News

It's been a very busy start to Term 2 for us in Primary 4! We are working very hard on our upcoming class assembly which we can't wait to perform for you all very soon. We hope you will be able to attend our assembly and join us afterwards for a Fairtrade cup of tea and biscuit.

Upcoming Events

Class Assembly: 24th November
Christmas Market: 8th December
Christmas Party: 20th December

Reminders

Our PE days are on Monday
and Thursday.
You can follow our learning
journey on X: MissHannaWPS

Our Learning

Numeracy

In numeracy this term we are learning to add, subtract, multiply and divide. We are learning to use a range of strategies which will help us when carrying out the four operations. We complete a number talk everyday and we share our strategies with the class. We are also learning to identify coins and notes in money and we are working on how to give change.

Literacy

Our writing focus this term is functional. We have been learning to write sets of instructions and to write a letter. We are also going to learn to use persuasive language and to use this within our writing. In reading, we are learning to use a range of strategies to help us understand the meaning of new words. We are also reading the novel, The Boggart and the Monster. We continue to use our talking and skills throughout all areas of the curriculum and we use these to help us build onto ideas of others and share our learning.

HWB

On Mondays we are continuing to join with P5/4 for PE. We are learning a range of football skills which we are applying when playing small sided games. We are also learning to work with others and develop our teamwork and communication skills out of the classroom environment. On Thursdays in PE we are focusing on dance. We are using our topic on Scotland to learn a range of traditional Scottish dances.
